ADAM'S POLISHES

**Adam Pitale –
Founder & Chief Detailer**

THE FIRST NAME IN CAR CARE

Adam Pitale's passion for cleaning started at a young age. He started his first business washing and polishing bicycles in his neighborhood. By age 10, he turned his attention to cars and trucks with a mobile detailing business that eventually began specializing in limousine fleets.

Throughout high school and college, Adam continued to grow his company and service large fleets, while looking for ways to evolve his products, change his process and enhance cleaning efficiencies. His expanded fleet detailing business also helped him create new products which he began selling at the Orange County Swap Meet in Southern California. Since he never officially named his company, it eventually became known as "Adam's."

Today, Adam's Polishes®¹  are available directly from Cadillac.com/accessories or at your local Cadillac dealer. His premium car care signature line includes car wax, sealants, dressings, cleaners and polishes – all guaranteed to outshine and outlast any product you've used on your Cadillac.

GM Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes.* For more information, contact your dealer.
