How to use and print this document

Charge fully drained batteries with smart chargers

Say goodbye to bulky trickle chargers. Now you can safely charge select Buick vehicles with a NOCO® 10 Genius Charger. Compact and rugged, these portable automatic battery chargers and maintainers are specially designed to energize 30, 37V and 24V lead acid and 39Ah ion batteries. NOCO® intelligent battery maintenance technology monitors battery activity and helps reduce risk of battery overcharging, which can decrease battery life.

NOCO® Genius Chargers feature patented safety technology that provides spark-proof connections and reverse polarity protection. With the push of a button, you'll have the ability to switch between various charging modes. It's as simple as connecting the charger to the vehicle's battery, selecting the mode and leaving the battery to charge. Once the vehicle's battery is fully charged, the indicator will glow green and the unit will stop charging. All that's left to do is detach the Genius Charger and go.

Available in Geniva S and Geniva SO models, NOCO Genius Chargers have the easy-to-use features you need to keep vehicle batteries fully charged.

- Keeps the battery fully charged indefinitely without user-charging
- Stabilizes internal battery chemistry for increased performance and longevity
- Includes visual diagnosis tool for detecting reverse polarity, low-voltage or damaged batteries
- Dirt, water, UV, impact and crush resistant
- Force Mode charging allows you to charge batteries reading as low as 2.80V volts
- Low battery voltage re-ignition down to 2 volt

What's in the box:

- Smart charger
- Battery charging connectors with integrated cables
- User guide and information guide & warranty

Part #	Model	Battery Capacity	Battery Voltage	Integrated Jump Charge	NOCO®

Print

Click "File" and then "Print". This will open a print dialog box displaying various options. There may be a Print button available at the top or bottom of the document without having to open the File menu.

Select your printer. In the Print dialog box, you will be able to choose the printer that you want to send the document to.

Set the range (pages to print), page size and handling and print orientation (portrait or landscape) for your print job. If your PDF file is multiple pages and you only need specific ones, use the Range or Pages section of the Print window to set which pages should be sent to the printer.

Choose any advanced printing options. Choose advanced printing features by clicking on "Properties" button. From here a number of selections can be made to the layout, finish, and other features of the PDF file. Additionally, this is where to select whether to print in color or in black and white.

Print the document. Once you have set all of your printing options, you can send it to printer by clicking the Print button. Your document will be added to the printer queue.

Adam Pitale –
Founder &
Chief Detailer

The first name in car care

Adam Pitale's passion for cleaning started at a young age. He started his first business washing and polishing bicycles in his neighborhood. By age 10, he turned his attention to cars and trucks with a mobile detailing business that eventually began specializing in limousine fleets.

Throughout high school and college, Adam continued to grow his company and service large fleets, while looking for ways to evolve his products, change his process and enhance cleaning efficiencies. His expanded fleet detailing business also helped him create new products which he began selling at the Orange County Swap Meet in Southern California. Since he never officially named his company, it eventually became known as "Adam's."

Today, Adam's Polishes®¹ are available directly from Buick.com/accessories or at your local Buick dealer. His premium car care signature line includes car wax, sealants, dressings, cleaners and polishes — all guaranteed to outshine and outlast any product you've used on your Buick.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Polish to perfection

Adam's Polishes® Swirl Killer Polisher Kit

Remove swirls and imperfections from your vehicle with the Swirl Killer Polisher Kit from Adam's Polishes^{®1} . Easy to use on paint, headlights and glass, this kit is designed to correct without harming your vehicle's finish. Kit includes:

- **15mm Swirl Killer Polisher** — Comfortable and ergonomic design allows for smooth operation with low vibration and a 25-foot-long cord
- **5.5-Inch Blue Microfiber Cutting Pad** — Thick, closed-cell foam for strong cutting action²
- **5.5-Inch White Foam Polishing Pad** — Flat face for increased surface area and heat dispersion²
- **Pad Conditioning Brush** — Helps save time by cleaning polishing pads in mid-detail
- **Swirl Finder Flashlight** — 160 lumens to help spot stubborn swirls on your vehicle

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes® For more information, contact your dealer.

² When used with the required Adam's Polishes® polishing compound or polish, sold separately.

 - Associated Accessory. Non-GM part.

Polish to perfection

Adam's Polishes® Compound and Polish for Swirl Killer Kit

These two formulas work best with the Adam's Polishes®¹ AA Swirl Killer Kit (sold separately). The thin liquid formulas create no dry spots on the polishing pad and are silicone free and body shop safe. Each sold separately as a 12-oz. bottle.

12-oz. Compound

- Removes ~1500 sanding marks
- Cuts swirls and oxidation fast; long working time
- Designed for use with Blue Foam Compounding Pads
- Primes and revitalizes your pad

12-oz. Polish

- Removes 2000-2500 sanding marks
- Cuts swirls and oxidation fast
- Designed for use with White Foam Polishing Pads
- Low-dust formula
- Peach fragrance

¹ AA Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

AA - Associated Accessory. Non-GM part.

Bring professional care home

Adam's Polishes® Hand Soap And Home Surface Cleaner

Shine up your home surfaces with the same expert quality and care as you're accustomed to in your vehicle with Home Surface Cleaner by Adam's Polishes®¹ . This ready-to-use, sprayable hard surface cleaner can quickly power through film, grease and buildup throughout your home.

You can also help keep those hard-working hands clean with Hand Soap by Adam's Polishes®. Adam's Polishes® Hand Soap easily removes oil, grease and other soil from your hands, while conditioning rough, chapped skin with natural moisturizers.

Product refills and towels sold separately. Start cleaning today:

Adam's Polishes® Hand Soap — 12-oz. Bottle Cleans grease, oil, dirt and more without drying out skin, available in a fresh Coconut scent

Adam's Polishes® Hard Surface Cleaner — 16-oz. Spray Bottle Removes film, buildup and odors throughout the home with a streak-free finish

Adam's Polishes® Hard Surface Cleaner — Gallon-Size Refill Ideal for stocking up on supplies

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

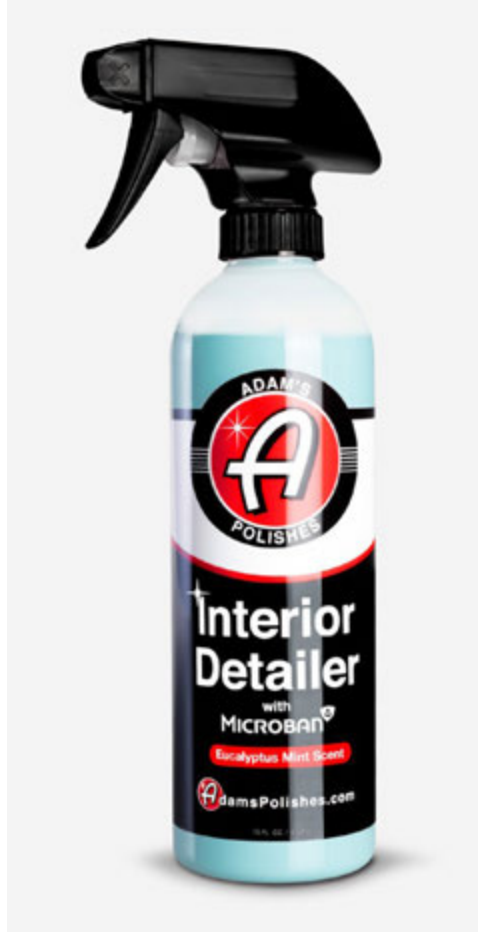

Hands-on cleaning

Adam's Polishes® Interior Detailer with Microban®

Help keep your vehicle's interior clean and protected with Adam's Polishes®¹  Interior Detailer with Microban®, an all-in-one cleaner featuring powerful Microban® technology. Use on frequently touched surface areas and electronics such as: steering wheels, door panels/handles, shifters, touch screens, radios/stereos, cup holders, consoles, dashboards, etc. Product refills and towels sold separately.

Adam's Polishes® Interior Detailer with Microban® — 16-oz. Spray Bottle Safe for use on frequently touched surfaces and electronics, including steering wheel, door panels/handles, shifters, touch-screens, consoles, dashboards and more

Adam's Polishes® Interior Detailer with Microban® — Gallon-Size Refill Ideal for stocking up on supplies

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Turn on a perfect shine

Adam's Polishes® Tire and Wheel Kit

Enhance the look of your vehicle's exterior with an Adam's Polishes®¹  Tire and Wheel Kit. Formulated to help keep your wheels and tires clean and looking like new, this kit helps remove road contamination and brake dust, returning the wheel and tire sidewall finish to their original beauty. The Adam's Polishes® Tire and Wheel Kit includes:

- **Adam's Polishes® Tire and Rubber Cleaner** Helps remove road contamination and brake dust, returning the tire sidewall finish to its original appearance (with regular use)
- **Adam's Polishes® Wheel Cleaner** Safe for use on clear coated, powder coated, and painted wheels, it helps remove road contamination and brake dust
- **Adam's Polishes® Tire Shine** This polish helps return the tire sidewall finish to its original appearance (with regular use)
- **Adam's Polishes® Tire Brush** Cleans dirty tires and helps release dirt and road grime
- **Adam's Polishes® Short Wheel Brush** Features a short handle for improved ergonomics. Cleans the face of the wheel without scratching
- **Adam's Polishes® Super Block Foam Applicator** Washable and reusable sponge designed for applying tire and trim cleaner

Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Wash and wax like a pro

Adam's Polishes® Wash and Wax Kit

Help give your vehicle that fresh-out-of-the-showroom look with an Adam's Polishes®¹  Wash and Wax Kit that includes:

- **Adam's Polishes® Bucket with Grit Guard and Gamma Seal** Grit guard adds a barrier between the dirt and wash pad; the airtight gamma seal lid helps prevent spills in transit
- **Adam's Polishes® Car Shampoo** This specially formulated car shampoo has a pH-neutral concentrated formula that produces thick suds and rinses clean for a spot-free finish
- **Adam's Polishes® Buttery Wax** Helps protect your vehicle's paint while achieving a glossy shine
- **Adam's Polishes® Detail Spray** Leaves a streak-free finish and can be used to wipe down doorjamb, liftgates and door sills, and to dust under the hood
- **Adam's Polishes® Great White Towel** An oversized waffle weave, soft microfiber towel that will dry an entire vehicle without introducing swirls or scratches
- **Adam's Polishes® Double Soft Towel** Made of premium microfiber that buffs away polishes and car wax
- **Adam's Polishes® Microfiber Applicator Pads** Washable, multi-purpose applicators that can be used for applying waxes, sealants or polishing metal without causing any paint swirls or scratches
- **Adam's Polishes® Wash Pad** Made of plush synthetic wool to help prevent swirls or scratches

Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Tough protection, made to last

Adam's Polishes® Graphene Ceramic Coating Kit

Take protection to the next level with the Graphene Ceramic Coating Kit from Adam's Polishes®¹. With a graphene variant of traditional ceramic coating, this kit goes beyond with easy application, reduced water spotting and high stain resistance against bugs, sap and more. This kit includes:

- **Adam's Polishes® Graphene Ceramic Coating** Verified >10H hardness coating with long-lasting hydrophobic effects and scratch and stain resistance
- **Adam's Polishes® Coating Prep** Helps remove any existing debris and residue left behind after polishing
- **Adam's Polishes® Ceramic Boost** Creates a slick surface that beads and repels water and can be used on a variety of surfaces, including paint, chrome, plastic, wheels and glass
- **Adam's Polishes® Applicators** A soft sponge for applying graphene ceramic coatings
- **Adam's Polishes® Single Soft Towels** Made of premium microfiber; use for delicate cleaning
- **Adam's Polishes® Suede Removal Towels** Designed for precision removal of graphene ceramic coating
- **Adam's Polishes® Gloves** One-time-use gloves for applying graphene ceramic coating
- **UV Flashlight** Helps expose where coating has been applied for maximum coverage

Professional application recommended. Product refills, additional towels sold separately.

¹ Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

- Associated Accessory. Non-GM part.

Everything you need

Adam's Polishes^{®1}  offers a wide range of cleaning, polishing and preserving products to help keep your vehicle looking its very best longer. From refills of Adam's Polishes[®] most popular products, to the towels, pads, applicators and swabs needed to attend to every detail, Adam's Polishes[®] has the right stuff to get the job done.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes[®]. For more information, contact your dealer.

Brake control technology

Echo® Mobile Trailer Brake Controller

The Echo® mobile trailer brake controller brings brake control technology into the future. By simply plugging into your vehicle and wirelessly connecting to your smartphone, CURT™¹  Echo® lets you manage trailer brake activity right from your own device. It comes with a customizable app for Apple® or Android™ phones, a portable design to easily switch between vehicle-trailer combinations and is made of a durable, weather-resistant construction.

- Plugs into the 7-way RV blade socket at the rear of your vehicle and provides a socket to plug in the trailer harness
- Features automatic calibration to help eliminate setup requirements
- Can easily transfer between vehicles and can be used with multiple trailers
- Can store multiple vehicle-trailer profiles, making it ideal for commercial fleets
- Operates using a triple-axis motion-sensing accelerometer
- Compatible with 2-4 trailer brakes (1-2 axles)
- Can be used with low-voltage or PWM wiring systems
- Compatible with cruise control and ABS brakes
- Features built-in reverse-polarity protection and short-circuit protection

The Bluetooth button for the Echo® mobile brake controller is designed to enable hands-free driving. Whether local laws prevent you from using the Echo® phone app or you simply prefer a manual touch, this button allows you to activate the trailer brakes with the press of a button whenever necessary. This manual override button functions in tandem with the Echo® brake controller and your smartphone. With the button synced using Bluetooth, the Echo® continues to operate the trailer brakes normally, as it does with the Smart Control app. However, instead of using the app interface to manually activate the trailer brakes for whatever purpose, this button provides a phone-free experience (Echo® still uses your phone and the app to operate; app must be running for button to operate).

- Programmable for other Flic applications
- Long-range Bluetooth maintains a strong connection
- Includes double-sided adhesive pad for easy mounting on the dash
- Soft-touch material for comfortable use
- Includes replaceable CR2016 battery with lifespan up to three years
- Small-footprint, 1-1/8" diameter
- Can be used with app alone; button not essential for operation
- One-year warranty

Part #	Fits	Includes	MSRP ²	Install Time
19433260	2018-24 Enclave 2025 next-gen Enclave	Echo® Trailer Brake Controller with Manual Override Button (not recommended for use with RPO JL1) (7-pin connector required)	\$299.99	0.0 hr

Brake control technology

Brake Controller

The Echo® Trailer Brake Controller¹  is truly a trailer brake controller for the modern age. It plugs into your vehicle and wirelessly connects to your smartphone, allowing you to control and monitor all trailer brake activity right from your own device. It comes with a customizable app for Apple or Android phones, a portable design to easily switch between vehicle-trailer combinations and a durable, weather-resistant construction.

- Plugs in behind existing 7-way socket with USCAR connectors
- Features automatic calibration to assist with setup requirements
- Operates using a triple-axis motion-sensing accelerometer
- Capable of being used with 2-8 trailer brakes (1-4 axles)
- Compatible with low-voltage or PWM (pulse-width modulation) wiring systems, cruise control, ABS and EOH (electric over hydraulic) braking systems
- Features built-in reverse-polarity protection and short-circuit protection
- Controller can be used with app alone; Echo® Bluetooth Override not essential for operation but highly recommended for hands-free driving

Override Button

The included Echo® Bluetooth Override button is designed to support hands-free driving. Whether local laws prevent use of the Echo® phone app or you simply prefer a manual touch, this button allows you to activate the trailer brakes with the press of a button whenever necessary. This manual override button functions in tandem with the Echo® brake controller and your smartphone. With the button synced using Bluetooth, the Echo® continues to operate the trailer brakes normally, as it does with the Smart Control app. However, instead of using the app interface to manually activate the trailer brakes for whatever purpose, this button provides a phone-free experience (Echo® still uses your phone and the app to operate; app must be running for button to operate).

- Features double-sided adhesive pad for easy mounting on the dash
- Provides a strong long-range Bluetooth connection
- Includes replaceable CR2016 battery with up to three-year lifespan
- Soft-touch material for comfortable use
- Small-footprint, 1-1/8" diameter
- One-year warranty
- Highly recommended for hands-free driving

Brake control technology

Triflex™ NEXT Trailer Brake Controller and Harness Kit¹

The TriFlex NEXT series brake controllers offer powerful, intuitive brake controlling and dependable operation of trailer brakes from within the vehicle. This brake controller can operate two to eight brakes on one to four axles.

- Triple-axis, motion-sensing accelerometer to help with responsive, smooth stops
- Third axis provides precise, dynamic brake incremental power adjustment when going up or down an incline
- Nine levels of sensitivity adjustment for varying trailer loads or driving conditions
- LED display shows power adjustments
- Compatible with low-voltage or pulse-width modulation (PWM) systems
- Mounts in a variety of angles above or below the dash

Brake Control Harness Features

- Quick plug harness installs in less than 10 minutes
- Wire colors match standard brake control harnesses
- Automatic leveling and calibration

Harness included with
19436251

Rear seat cover protection

CURT™ Seat Defender™

Help protect the rear bench seat of your Buick Enclave and Encore with the CURT™ Seat Defender™¹ , an innovative, universal and use-as-needed seat protection system. Rather than being a permanent cover-up for a damaged or unsightly interior, Seat Defender™ works to stop the damage before it happens. With its two-sided, non-skid construction, Seat Defender™ is a ready defense against muddy clothes, shedding pets, wet swimsuits and messy food.

- Easy to install, clean, remove and store
- 100% waterproof and machine-washable
- Two-sided construction of thermoplastic rubber and woven 600-denier terylene fabric blocks spills, dirt and more
- Thermoplastic rubber grips the seat, providing added comfort and safety
- Allows for side-airbag deployment
- Available in three colors
- Pet-friendly

Keep your cool anywhere

Powered coolers

Go farther, stay longer and experience more: Dometic Powered Coolers¹  keep food and drinks cool on the go. With access to a power source, this range of high-performance cooling boxes provides a perfect cooling solution when you plan to be away for an extended period.

Built to last, these coolers feature a heavy-duty ExoFrame design that combines a lightweight thermoformed plastic shell with structural insulation and aluminum alloy handles for use in harsh outdoor environments. The convenient CFX3 App allows you to monitor temperature and performance remotely, with a user-friendly and weatherproof, high-resolution interface that displays the operating status. Flexible power options include AC (110-240), DC (12/24V) and DC solar power.

- Designed for maximized internal capacity and optimal storage organization with removable and rearrangeable wire basket and divider
- Powerful VMS03-controlled Dometic ACV20/25DC reciprocating compressor enables refrigeration and deep-freezing for Dual Zone coolers down to -7°F with efficient power consumption
- Three-Stage Battery Protection System automatically shuts the unit off to prevent a dead car battery, or allows a deep draw on dual batteries
- CFX3 app allows temperature control, active diagnostic tools and performance monitoring
- Keeps food and drinks fresh or frozen with fully wrapped evaporator plate
- CFX3-55IM model includes an independently controlled Rapid Freeze Plate with two custom silicone ice trays to make ice
- CFX3-75DZ and CFX3-95DZ models feature dual-storage compartments with independent temperature control for simultaneous cooling and freezing
- Active Gasket Technology with 20mm EPDM seal and anti-condensation coil to seal in the cold
- Weatherproof High-Resolution Color Display for easy use in any condition
- Can be powered by AC (110-240), DC (12/24V) and DC solar power
- An available external PLB40 lithium battery (sold separately) offers lightweight and compact design to enjoy travel off-grid for longer
- Includes cooler, instruction manual, power cable for DC 12/24V connection, power cable for 100-240V connection and removable wire baskets

Keep your cool anywhere

Tie-down kit and straps

Secure your CFX3 Powered Cooler with the Dometic Tie-Down Kit¹. It has everything you need to secure your cooler wherever you choose. D-rings, hardware and mounting plates are all included. Additional tie-down straps also available (sold separately).

- Heavy-duty, 1.5 m straps
- Quick-release buckles
- Low-profile tie-down anchor points
- Strong alloy D-rings fold down when not in use

Dometic Tie-Down Straps help keep your CFX3 Powered Cooler in place. The kit includes two 1.5 m straps for securing your cooler or gear. Comes with two heavy-duty straps with quick-release buckles.

Covers

Roam free from worry with the CFX3 Powered Cooler Protective Cover¹. This cover is designed to protect your CFX3 Powered Cooler from damage on even the most rugged adventures. Made from durable thermoformed EVA foam and 1200D nylon, it helps protect against dirt, dust, sand, moisture, scuff damage and water splashes.

- Integrated storage pockets with zippers
- Four-piece design fits securely against the CFX3
- Contoured cutout allows easy access to the CFX3 user interface
- Vent clearance panel helps prevent overheating
- Durable fabric finished in charcoal color

Batteries

Stay off-grid longer with Dometic¹ batteries.

- The DuraCUBE 500W Battery has a rugged, lightweight design and multiple USB charging ports, making it convenient to charge your devices or small appliances
- Designed for powered coolers and other 12V appliances, the PLB40 Portable Lithium Battery 40Ah delivers high levels of mobile power (up to 53 hours of Dometic CFX3-45 cooling on a single charge, hours may vary based on cooler size and environmental conditions)

Keep your cool anywhere

Patrol 20 Cooler in Ocean Blue with Handle

Patrol 35 Cooler in Olive

Patrol 55 Cooler in Slate

Patrol coolers

Through heat and dust, pouring rain and mud, Dometic Patrol¹  ice chests take it all in stride. The robust, one-piece rotomolded polyethylene design make the ice chest tough enough for years of outdoor adventure. On hikes, rides and climbs, its dependable cool storage makes the Patrol an ever-present companion. Ready for the challenge, it dares you to go further because it can handle harsh treatment. And every scratch tells a story.

Every detail of the Patrol cool boxes, made from impact-resistant and seamless plastic, is designed to withstand the toughest condition. This trusty cool box comes with strong and thick refrigeration-grade foam insulation. Its unique labyrinth design holds cold air in, while keeping the warm air out, for longer lasting ice regardless of the outside temperature and conditions. When fitted with ice packs or ice cubes, the extremely effective insulation system can keep drinks, groceries, fish or bait fresh for days. So take food, drinks, bait or whatever else you need to keep cool, and trust the Patrol to keep it fresh.

- Thick PU insulation keeps ice frozen for days
- Large, leak-proof drain makes cleaning easy
- Deep-freeze lid seal ensures no gaps for air to enter or escape
- Rugged construction with one-piece rotomolded polyethylene
- Rubber latches allow for convenient one-hand opening
- Patrol 20 Cooler features convenient metal lunch box handle for easy carrying

iSimple®

Stay connected

USB cable

Staying connected is vital, and iSimple®¹ helps to keep mobile devices charged up and ready for work or play. With a dual option connector to adapt USB charging and audio ports to many devices, uLinXMAX USB cables by iSimple®¹ provide outstanding flexibility and durability. They feature heavy-duty, dual-layer shielding for reducing electromagnetic (EM) and radio frequency (RF) interference, helping to ensure clear audio quality. Constructed with a high ratio of pure copper wire strands for optimum power flow, they are capable of providing up to 3 amps of charging power. With a generous 3-foot total length (~1 meter), they allow easy device placement around the USB port.

- Compatible with Apple CarPlay™ and Android Auto™
- USB Insertion test exceeds 10,000 cycles
- Phone side connector features 55-lbs. pullout force (the force required to separate the connector from the cable)
- Outer cable wall thickness: .55mm

Ease into your campsite

Sportz SUV Tent By Napier Outdoors

Get even more out of your camping experience with the Napier Sportz SUV Tent¹. This ground tent is easy to set up, simple to attach and adds extra fun to your camping adventure. It can be used as sleeping space for five campers or to increase dining, lounging or storage space. The tent's sleeve connects to your vehicle, allowing for access to gear and leaving more room in your tent for you or your family and friends. An extendable awning provides shade for sitting when outside the tent.

- Universal sleeve fits Buick vehicles listed below
- Seamlessly connects to the cargo area of your vehicle
- Spacious 9 x 9-foot ground tent provides over 7 feet of headroom
- Tent features gear loft, gear pocket and lantern holder
- Simple pole hub design allows for setup in less than 20 minutes
- Tent features two large doors, three mesh windows and two overhead skylights
- Large 6 x 6-foot extendable awning provides shade and a protected area
- Tent transforms into a traditional ground tent by unzipping the vehicle sleeve (however, rainfly will not cover the sleeve side)
- Made of high-quality polyester taffeta and polyester oxford
- Includes tent, tent bag, pole bag, two tent tie straps, eight tent poles, two awning poles, rainfly, gear loft, four guy lines, stake bag, twenty-five stakes and four awning pole caps

NOCO[®]

Get a jump on battery issues

Lightweight, powerful battery boosters

Dead vehicle batteries are no longer a problem, thanks to Genius Boost Jump Starters from NOCO®¹ . These portable lithium-ion battery jump starter packs feature patented safety technology that provides spark-proof connections and reverse polarity protection, making them safe and easy for anyone to use.

If you need a professional tool to help you understand the problem, you can turn to the NOCO® GB150 with the integrated voltmeter. There are many reasons why your vehicle may not start. With a built-in digital voltmeter, you can quickly determine if it's a discharged battery or something else.

They are lightweight, weighing as little as 2.3 pounds, and can double as a portable power source for recharging USB devices, including smartphones and tablets. The NOCO® GB150 model features an integrated digital voltmeter to help track down the source of a no-start condition. Batteries showing 12.7–12.8 volts are good to go, allowing you to trace starter, alternator or battery cable issues instead.

Depending on the model, you can also power 12-volt devices, such as tire inflators and power inverters. Available in GB40, GB70 and GB150 versions, they feature an LED flashlight with seven light modes, including SOS and Emergency Strobe, and deliver multiple jump starts on a single charge, ensuring safe motoring for you and your loved ones.

Part #	Model	Amps	Jump Starts Per Charge	LED Flashlight (Lumens)	Engine Application (Up to)	12-Volt Powering	MSRP ²
19366935	GB40 Boost Plus	1,000	20	100	6L gas or 3L diesel	No	\$109.95
19366934	GB70 Boost HD	2,000	40	400	8L gas or 6L diesel	Yes	\$215.95
19366933	GB150 Boost Pro	3,000	80	500	9L gas or 7L diesel	Yes	\$325.95

Protect and power up your Genius Boost Jump Starter

GB40 Boost Plus Case

GB70 Boost HD Case

GB150 Boost Pro Case

XGC4 Power Adapter

Cases

Carry, store and protect your Genius Boost Jump Starter with a convenient EVA protective case by NOCO®¹. Designed specifically for the GB40, GB70 or GB150 Genius Boost Jump Starters, each case is made with a rugged EVA (ethylene vinyl acetate) semi-rigid design. Lightweight and durable, the zipper case provides protection from moisture, impact and dust.

Power adapter

Charge your GB70 or GB150 Genius Boost Jump Starter rapidly with a fast XGC4 Power Adapter by NOCO®¹. Made of a heavy-duty design, the XGC4 Power Adapter provides charging times up to five times faster than traditional methods. A high-efficiency 56-watt power supply provides efficient energy transfer while a convenient, universal power supply allows use in North America, Europe, United Kingdom and Australia.

² Manufacturer's Suggested Retail Price. Tax and installation extra. See dealer for details.

Charge fully drained batteries with smart chargers

Say goodbye to bulky trickle chargers. Now you can safely charge select Buick vehicles with a NOCO®¹ Genius Charger. Compact and rugged, these portable automatic battery chargers and maintainers are specially designed to energize 6V, 12V and 24V lead-acid and lithium-ion batteries. NOCO®¹ intelligent battery maintenance technology monitors battery activity and helps reduce risk of battery overcharging, which can decrease battery life.

NOCO®¹ Genius Chargers feature patented safety technology that provides spark-proof connections and reverse polarity protection. With the push of a button, you'll have the ability to switch between various charging modes. It's as simple as connecting the charger to the vehicle's battery, selecting the mode and leaving the battery to charge. Once the vehicle's battery is fully charged, the indicator will glow green and the unit will stop charging. All that's left to do is detach the Genius Charger and go.

Available in Genius 5 and Genius 10 models, NOCO Genius Chargers have the easy-to-use features you need to keep vehicle batteries fully charged.

- Keeps the battery fully charged indefinitely without over-charging
- Stabilizes internal battery chemistry for increased performance and longevity
- Intuitive visual diagnostic tool for detecting reverse polarity, low-voltage or damaged batteries.
- Dirt, water, UV, impact and crush-resistant
- Force Mode charging allows you to charge batteries reading as low as zero volts
- Low battery voltage recognition down to 1 volt

What's in the box:

- Smart charger
- Battery clamp connectors with integrated eyelets
- User guide and information guide & warranty

Connect and charge

Eyelet (M6 hole) Terminal Connector

X-Connect 10' Extension Cable

XL Eyelet (M10 hole) Terminal Connector

Eyelet connectors

Increase the flexibility of your Genius 5 or Genius 10 Smart Charger with an Eyelet Terminal Connector by NOCO®¹. Available in two configurations (with M6 hole or M10 hole), the Eyelet Terminal Connector includes a 24-inch DC cord that is designed to work simply and exclusively with the proprietary NOCO® X-Connect located at the end of the Genius Smart Charger's DC cord. The Eyelet Terminal Connector features a lay-flat design for easy installation and can be permanently mounted to a vehicle battery for simple connection when your vehicle is stored for a length of time. The connector includes a 10-amp in-line fuse for additional protection.

Extension cable

Extend the distance from your Genius Smart Charger to your battery by up to 10 feet with the X-Connect 10-Foot Extension Cable by NOCO®¹. Simply disconnect the proprietary NOCO® X-Connect on the DC cable side of the Genius Smart Charger and connect the extension cable to expand the reach of your Genius Smart Charger to your battery.

Part #	Model	MSRP ²

Help expand your views

Help protect yourself and your vehicle while on the road or parked with an OPSIS by Stinger™ Dash Cam¹ with Advanced Driver Assistance System (ADAS). Easy to control via a smartphone app, these dash cams have a wide viewing angle and two channel recording – both a front and an interior rear-facing camera. During potential impact or theft incidents, they automatically record and save video files to a 32GB Micro SD card. These cameras connect to the OPSIS by Stinger™ app wirelessly so videos can be viewed on a smartphone.

- Parking Surveillance Mode includes Impact Detection for recording during a hit-and-run situation and Energy Saving Mode for conserving power when the system is inactive
- Motion Detection records potential theft or vandalism attempts while the vehicle is unattended
- Plug-and-play installation with no cutting, splicing or programming to vehicle

Full HD Front Dash Cam with ADAS 32GB SD Card and Full HD Rear Camera

This dash cam records both the front and rear views of your vehicle in 1080p Full HD. The camera system allows you to choose parking protection for your vehicle with enhanced Parking and Time Lapse for Parking Surveillance modes.

- Stunning HD 1080p video quality delivers crisp, clear, high definition video recordings
- Front camera: 135-degree (diagonal) viewing angle; Rear camera: 130-degree (diagonal) viewing angle
- Ultra-Low Night Vision (selectable in App, activated in Parking Mode)
