Take adventure to new heights

Freemint Recreation® Rooftop Tents
 Rise, comfort, incredible views. Freemint Recreation® Rooftop Tents® have them all. Designed with adventure and style in mind, these rooftop tents set up quickly and easily. They're constructed from durable Poly-Delrin material and engineered to hold in heat in extreme cold or stay comfortable on warm summer nights. An included high-density foam mattress means maximum sleeping comfort after a day of adventure.

- Equipped with advanced 31-layer technology, engineered to hold heat in cold weather but remain comfortable on a warm summer night
- Specialized outer coating and ripstop repels sunlight to provide 50-1% protection
- Features two removable hanging shelves and storage pockets to help keep the tent free of dirty items

Tent	Capacity	Weight	Setup Time	Color
90-inch High Country Premium Rooftop Tent	30-40 lbs (200-300 lb)	100 lbs	10-15 min	Black
49-inch Odyssey Black Top Hard Shell Rooftop Tent	30-40 lbs (200-300 lb)	100 lbs	10-15 min	Black

Page Setup... | Printer... | Cancel | Print

Click “File” and then “Print”. This will open a print dialog box displaying various options. There may be a Print button available at the top or bottom of the document without having to open the File menu.

Select your printer. In the Print dialog box, you will be able to choose the printer that you want to send the document to.

Set the range (pages to print), page size and handling and print orientation (portrait or landscape) for your print job. If your PDF file is multiple pages and you only need specific ones, use the Range or Pages section of the Print window to set which pages should be sent to the printer.

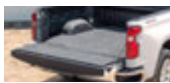

Choose any advanced printing options. Choose advanced printing features by clicking on “Properties” button. From here a number of selections can be made to the layout, finish, and other features of the PDF file. Additionally, this is where to select whether to print in color or in black and white.

Print the document. Once you have set all of your printing options, you can send it to printer by clicking the Print button. Your document will be added to the printer queue.

Adam's Polishes®

8 February 2025

Accessories

Adam Pitale –
Founder & Chief Detailer

The first name in car care

Adam Pitale's passion for cleaning started at a young age. He started his first business washing and polishing bicycles in his neighborhood. By age 10, he turned his attention to cars and trucks with a mobile detailing business that eventually began specializing in limousine fleets.

Throughout high school and college, Adam continued to grow his company and service large fleets, while looking for ways to evolve his products, change his process and enhance cleaning efficiencies. His expanded fleet detailing business also helped him create new products which he began selling at the Orange County Swap Meet in Southern California. Since he never officially named his company, it eventually became known as "Adam's."

Today, Adam's Polishes®¹  are available directly from chevrolet.com/accessories or at your local Chevrolet dealer. His premium car care signature line includes car wax, sealants, dressings, cleaners and polishes – all guaranteed to outshine and outlast any product you've used on your Chevrolet.

Some accessories shown are from an independent supplier. GM Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Polish to perfection

Adam's Polishes® Swirl Killer Polisher Kit

Remove swirls and imperfections from your vehicle with the Swirl Killer Polisher Kit from Adam's Polishes®¹. Easy to use on paint, headlights and glass, this kit is designed to correct without harming your vehicle's finish. Kit includes:

- **15mm Swirl Killer Polisher** — Comfortable and ergonomic design allows for smooth operation with low vibration and a 25-foot-long cord
- **5.5-Inch Blue Microfiber Cutting Pad** — Thick, closed-cell foam for strong cutting action²
- **5.5-Inch White Foam Polishing Pad** — Flat face for increased surface area and heat dispersion²
- **Pad Conditioning Brush** — Helps save time by cleaning polishing pads in mid-detail
- **Swirl Finder Flashlight** — 160 lumens to help spot stubborn swirls on your vehicle

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

² When used with the required Adam's Polishes® polishing compound or polish, sold separately.

 - Associated Accessory. Non-GM part.

Polish to perfection

Adam's Polishes® Compound and Polish for Swirl Killer Kit

These two formulas work best with the Adam's Polishes®¹  Swirl Killer Kit (sold separately). The thin liquid formulas create no dry spots on the polishing pad and are silicone free and body shop safe. Each sold separately as a 12-oz. bottle.

12-oz. Compound

- Removes ~1500 sanding marks
- Cuts swirls and oxidation fast; long working time
- Designed for use with Blue Foam Compounding Pads
- Primes and revitalizes your pad

12-oz. Polish

- Removes 2000–2500 sanding marks
- Cuts swirls and oxidation fast
- Designed for use with White Foam Polishing Pads
- Low-dust formula
- Peach fragrance

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Bring professional care home

Adam's Polishes® Hand Soap and Home Surface Cleaner

Shine up your home surfaces with the same expert quality and care as you're accustomed to in your vehicle with Home Surface Cleaner by Adam's Polishes®¹ . This ready-to-use, sprayable hard surface cleaner can quickly power through film, grease and buildup throughout your home.

You can also help keep those hard-working hands clean with Hand Soap by Adam's Polishes®. Adam's Polishes® Hand Soap easily removes oil, grease and other soil from your hands, while conditioning rough, chapped skin with natural moisturizers.

Product refills and towels sold separately. Start cleaning today:

Adam's Polishes® Hand Soap – 12-oz. Bottle Cleans grease, oil, dirt and more without drying out skin, available in a fresh Coconut scent

Adam's Polishes® Hard Surface Cleaner – 16-oz. Spray Bottle Removes film, buildup and odors throughout the home with a streak-free finish

Adam's Polishes® Hard Surface Cleaner – Gallon-Size Refill Ideal for stocking up on supplies

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Hands-on cleaning

Adam's Polishes® Interior Detailer with Microban®

Help keep your vehicle's interior clean and protected with Adam's Polishes®¹  Interior Detailer with Microban®, an all-in-one cleaner featuring powerful Microban® technology. Use on frequently touched surface areas and electronics such as: steering wheels, door panels/handles, shifters, touch screens, radios/stereos, cup holders, consoles, dashboards, etc. Product refills and towels sold separately.

Adam's Polishes® Interior Detailer with Microban® – 16-oz. Spray Bottle Safe for use on frequently touched surfaces and electronics, including steering wheel, door panels/handles, shifters, touch-screens, consoles, dashboards and more

Adam's Polishes® Interior Detailer with Microban® – Gallon-Size Refill Ideal for stocking up on supplies

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Turn on a perfect shine

Adam's Polishes® Tire and Wheel Kit

Enhance the look of your vehicle's exterior with an Adam's Polishes®¹  Tire and Wheel Kit. Formulated to help keep your wheels and tires clean and looking like new, this kit helps remove road contamination and brake dust, returning the wheel and tire sidewall finish to their original beauty. The Adam's Polishes® Tire and Wheel Kit includes:

- **Adam's Polishes® Tire and Rubber Cleaner** Helps remove road contamination and brake dust, returning the tire sidewall finish to its original appearance (with regular use)
- **Adam's Polishes® Wheel Cleaner** Safe for use on clear coated, powder coated, and painted wheels, it helps remove road contamination and brake dust
- **Adam's Polishes® Tire Shine** This polish helps return the tire sidewall finish to its original appearance (with regular use)
- **Adam's Polishes® Tire Brush** Cleans dirty tires and helps release dirt and road grime
- **Adam's Polishes® Short Wheel Brush** Features a short handle for improved ergonomics. Cleans the face of the wheel without scratching
- **Adam's Polishes® Super Block Foam Applicator** Washable and reusable sponge designed for applying tire and trim cleaner

Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Wash and wax
like a pro

Adam's Polishes® Wash and Wax Kit

Help give your vehicle that fresh-out-of-the-showroom look with an Adam's Polishes®¹  Wash and Wax Kit that includes:

- **Adam's Polishes® Bucket with Grit Guard and Gamma Seal** Grit guard adds a barrier between the dirt and wash pad; the airtight gamma seal lid helps prevent spills in transit
- **Adam's Polishes® Car Shampoo** This specially formulated car shampoo has a pH-neutral concentrated formula that produces thick suds and rinses clean for a spot-free finish
- **Adam's Polishes® Butterly Wax** Helps protect your vehicle's paint while achieving a glossy shine
- **Adam's Polishes® Detail Spray** Leaves a streak-free finish and can be used to wipe down doorjamb, liftgates and door sills, and to dust under the hood
- **Adam's Polishes® Great White Towel** An oversized waffle weave, soft microfiber towel that will dry an entire vehicle without introducing swirls or scratches
- **Adam's Polishes® Double Soft Towel** Made of premium microfiber that buffs away polishes and car wax
- **Adam's Polishes® Microfiber Applicator Pads** Washable, multi-purpose applicators that can be used for applying waxes, sealants or polishing metal without causing any paint swirls or scratches
- **Adam's Polishes® Wash Pad** Made of plush synthetic wool to help prevent swirls or scratches

Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory, Non-GM part.

Tough protection, made to last

Adam's Polishes® Graphene Ceramic Coating Kit

Take protection to the next level with the Graphene Ceramic Coating Kit from Adam's Polishes®¹ . With a graphene variant of traditional ceramic coating, this kit goes beyond with easy application, reduced water spotting and high stain resistance against bugs, sap and more. This kit includes:

- **Adam's Polishes® Graphene Ceramic Coating** Verified >10H hardness coating with long-lasting hydrophobic effects and scratch and stain resistance
 - **Adam's Polishes® Coating Prep** Helps remove any existing debris and residue left behind after polishing
 - **Adam's Polishes® Ceramic Boost** Creates a slick surface that beads and repels water and can be used on a variety of surfaces, including paint, chrome, plastic, wheels and glass
 - **Adam's Polishes® Applicators** A soft sponge for applying graphene ceramic coatings
 - **Adam's Polishes® Single Soft Towels** Made of premium microfiber; use for delicate cleaning
 - **Adam's Polishes® Suede Removal Towels** Designed for precision removal of graphene ceramic coating
 - **Adam's Polishes® Gloves** One-time-use gloves for applying graphene ceramic coating
 - **UV Flashlight** Helps expose where coating has been applied for maximum coverage
- Professional application recommended. Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Perfection is an inside job

Adam's Polishes® Perfect Interior Cleaning Kit

Help keep your vehicle looking fresh and clean with an Adam's Polishes®¹ AA Perfect Interior Cleaning Kit that includes:

- **Adam's Polishes® Glass Cleaner** Contains no ammonia or alcohol. Safe to use on mirrors, tinted glass and navigation screens
- **Adam's Polishes® Leather Conditioner** Features premium UV blockers for SPF 65 protection for leather, vinyl and plastic interior surfaces
- **Adam's Polishes® Interior Detailer** Safe for delicate tasks
- **Adam's Polishes® Carpet and Upholstery Cleaner** Nontoxic and hypoallergenic cleaner is tough on stains and features a dye-free, perfume-free, non-foaming formula
- **Adam's Polishes® Premium Interior Dressing Applicators** Recommended for use with Adam's Polishes® Leather Conditioner
- **Adam's Polishes® Utility Towels** Great for cleaning dirty seats, seat rails or doorjambs (for use with Adam's Polishes® Interior Detailer)
- **Adam's Polishes® Green Microfiber Glass Towel** Helps leave windows streak-free
- **Adam's Polishes® Interior Detailing Swabs** Safe for delicate tasks, the swab's 6-inch-long stick goes where other tools can't like air vents, seats seams, buttons and knobs

Product refills, additional towels sold separately.

¹ AA Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

AA - Associated Accessory. Non-GM part.

Stay show ready

Products for your performance car

Make cleaning your vehicle fun, faster and more effective with this easy-to-use Adam's Polishes^{®1}  Corvette Car Care Kit. Whether you are heading out to a car show or off to the track, Adam's Polishes[®] helps keep your vehicle looking its very best. Kit includes:

- **Adam's Polishes[®] Tire Shine** Designed to give your tires that fresh showroom look
- **Adam's Polishes[®] Double Soft Towel** Made of premium microfiber that buffs away polishes and car wax
- **Adam's Polishes[®] Detail Spray** Leaves a streak-free finish and can be used to wipe down doorjambs, liftgate and door sills, and to dust under the hood

 - Associated Accessory. Non-GM part.

Go ahead, get dirty

Products for your truck

Winter or summer, off-road or road trip - there's an Adam's Polishes[®]  product for all your vehicle cleaning needs. Combine the Adam's Polishes[®] Standard Foam Gun with Adam's Polishes[®] Car Shampoo and a standard garden hose for a truly cleansing bath – no pressure washer required. And dirty rubber and vinyl floor mats are no match for Adam's Polishes[®] Rubber Mat & Liner Cleaner. It's perfect for cleaning all-weather floor mats and liners.

Adam's Polishes[®] Standard Foam Gun Produces a thick soapy lather by mixing car shampoo with the water pressure from your garden hose to provide extra lubrication to the paint, helping to enhance the wash process

Adam's Polishes[®] Car Shampoo This specially formulated car shampoo has a pH-neutral, concentrated formula that produces thick suds and rinses clean for a spot-free finish

Adam's Polishes[®] Rubber Floor Mat & Liner Cleaner Helps remove dirt, grime and salt. It also helps prevent fading, discoloration and cracking on all rubber mats without leaving behind a slippery feel
Product refills, additional towels sold separately.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes[®]. For more information, contact your dealer.

 - Associated Accessory. Non-GM part.

Everything you need

Adam's Polishes^{®1}  offers a wide range of cleaning, polishing and preserving products to help keep your vehicle looking its very best longer. From refills of Adam's Polishes[®] most popular products, to the towels, pads, applicators and swabs needed to attend to every detail, Adam's Polishes[®] has the right stuff to get the job done.

¹  Non-GM warranty. Lifetime limited warranty by Adam's Polishes[®]. For more information, contact your dealer.

ADVANTAGE
THE ORIGINAL SOFT FOLDING COVER

Take cargo management to new heights

Telescoping rack

The Advantage® Telescoping Rack¹  is an elevated rack that works perfectly in tandem with the pickup bed. The rack offers the perfect cargo management solution for large items such as kayaks, ladders, bikes and other oversized cargo. The telescoping design provides built-in versatility with adjustable heights preset to 18, 23 and 28 inches. With a weight capacity of up to 750 pounds static, 500 pounds dynamic, and 250 pounds off-road, this robust rack is just what you need to get the most out of your truck.

- Installed using T-slot rails (sold separately) or on truck bed covers that have T-slot rails
- Rustproof aluminum construction with powder coat finish
- Ability to move rack fore and aft on T-slot rail system
- Three adjustable heights: 18", 23" and 28"
- Weight capacities²: 750 pounds static, 500 dynamic, 250 pounds off-road
- Includes rack, stanchion, cross bars, tie-down kit and hardware kit

Bed rails for telescoping rack

The Advantage® Bed Rails for Telescoping Rack¹  provide a foundation for cargo management accessories. These unique rails are the connecting piece to attach the Telescoping Rack (sold separately) to a truck bed. Once installed, just slide a T-slot accessory into the integrated channel. These rails allow for full functionality of certain truck bed covers that attach inside the bed rail. They are not required on trucks equipped with truck bed covers already featuring T-slot rails.

- Creates a multitude of possibilities when choosing between T-slot equipped truck racks and inside mount truck bed covers
- Robust engineered aluminum construction
- Durable, textured powder coat finish
- Install in minutes with no drilling or special tools
- Integrated T-slot channels designed to accept a variety of truck racks and accessories
- Includes bed rails, installation instructions and set of four T-slot tie-downs

COMEUP

Recovery solutions for off-roading and overland enthusiasts

Winch for Silverado

Stay confident in your ability to self-recover while off-road with a Winch and Controller by COMEUP¹ . It is designed specifically for vehicles originally equipped with the AEV stamped-steel front bumper. This Seal Slim Waterproof Series winch features a compact design.

- 12V DC severe duty winch rated at 9,500 lbs. pulling (for 1500) and 12,500 lbs. (for HD)
- Heavy-duty series wound motor equipped with a thermal protection switch
- Hardened steel, three-stage planetary gear train
- 12-strand 100-foot synthetic rope, coated to improve abrasion with no water absorption
- Aluminum hawse fairlead to help protect the rope
- Patented mechanical cone brake located outside the drum
- Heavy-duty sealed contactor housing with silver-alloy contact pads, thick copper buss bars and submersible construction provides weather resistance
- Requires Winch Installation Kit by AEV (sold separately)
- Includes winch, controller, wire harness, wireless remote control and wired waterproof remote control

Winch installation kit

Enable the installation of the Winch and Controller by COMEUP (sold separately) with a Winch Installation Kit by AEV² . The kit installs behind the AEV stamped-steel front bumper and does not interfere with or have any adverse effects on the airflow to the vehicle's radiator. Includes a 2mm-thick zinc e-coated winch controller mounting bracket, license plate mounting bracket and installation hardware.

Images shown are for Silverado 1500.

Original equipment style with flair

Part #	Description	Vehicle	MSRP ²	Install Time
19419893	Low Profile Fender Flare Set in Black	2019-25 Silverado 1500	\$539	1.5 hr

Add an aggressive, rugged appearance and help minimize damage to your vehicle with Chevrolet Accessories Fender Flares by AirDesign¹. These OE Style Fender Flares are manufactured from strong, durable, UV-protected material. Sold as a 4-piece set for front and rear wheel wells, they stand up to the elements, helping to protect your vehicle's paint from rocks, mud and other road debris. The OE Style Fender Flares easily install without any drilling.

AirDesign Fender Flares are manufactured with proprietary overmolding technology that encapsulates high-impact, multilayer ABS plastic, which contours to the fender surface for a perfect fit that looks straight from the factory.

- Molded using high-tech, multilayer black ABS Senosan[®] polymer from Austria
- Coated from factory in Smooth-Grain Satin Black finish with UV protection
- The flares incorporate a mudflap anti-splash contour that widens the bottom of the flare, protecting the sides of the vehicle from road debris
- Mounts to the vehicle with the supplied VHB tape and urethane
- Requires no screws, cutting, trimming or drilling
- The flares can be painted to match or accent the color of your vehicle after you receive them; but not required
- Comes with detailed installation instructions

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

Note: Not compatible with vehicles equipped with Chevrolet Accessories Splash Guards.

Some vehicles are shown with equipment from an independent supplier. GM Licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

¹ Non-GM warranty. Limited warranty by AirDesign, 3 years/36,000 miles (whichever occurs first). For more information, contact your dealer.

² Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

Hard folding truck bed covers for Silverado and Colorado

Hard Folding Truck Bed Cover by RealTruck Advantage®¹

- Heavy-duty aluminum construction and weather-resistant EPDM rubber seals
- Integrated prop rods keep cover in upright position to allow full bed access
- Full stake pocket access in open or closed positions
- Holds up to 400 lbs. (evenly distributed)
- Features a Matte Black finish for a premium appearance
- Flush-mounted
- Secures via locking tailgate
- Each panel automatically latches to the mounting rails of the truck bed cover as it closes; latches will deactivate with a simple pull of the cable, which is accessible from either side of the bed

 - Associated Accessory. Non-GM part.

A tool box for every job

Tool boxes for Chevrolet Silverado

Gullwing Deep-Well Tool Box by UWS^{®1}

- 19.5" depth vs. 13.5" depth for standard Gullwing Tool Box
- Increases tool box capacity to 12.5 cu. ft.
- Similar features to standard Gullwing Tool Box
- Lid opens 90 degrees for easy loading and unloading of tools and equipment

Secure Lock 48-Inch Under Truck Bed Cover Chest Box by UWS^{®1}

- 16.5" high profile with offset lid to be compatible with most truck bed covers
- Patented Rigid Core foam-filled lid to maximize strength and prevent binding
- Easy-to-operate, dual-locking twist handles for enhanced security
- Lid self-opens to 90 degrees for convenient operation and loading

Swingout Tool Box by RealTruck Advantage^{®2}

- Easy on, easy off, without using any tools. Take your gear with you – it even stands upright on its own
- Built to last from lightweight, high-impact material, the swingout toolbox is tough, weather resistant and custom fitted to your truck
- The secure, versatile twist-lock allows you to open this tool box with or without a key
- Provides easy access from the back of the tailgate
- Works with or without all truck bed cover applications – get one for each side of the bed for extra storage and convenience

BACKRACK™
FUNCTION AND STYLE FOR TODAY'S TRUCKS

BACKRACK™ has your back

Original Style

Safety Rack

Safety Rack for Silverado EV

Maintain your truck's stylish good looks while helping to secure ladders and long loads with ORIGINAL STYLE truck racks by BACKRACK™¹ . A low-profile design allows you to park your truck in places you couldn't with a full-size ladder rack.

Helps keep cab occupants safe by providing complete coverage of the rear window with SAFETY RACK truck racks by BACKRACK™¹ . It also offers virtually clear rearward visibility through the 2-inch, fully welded wire screen. It's compatible with many truck bed covers.

Illuminating capability

Hornet Light Bars

Add extra visibility to your vehicle while on the job with a Hornet Light Bar from Putco®¹ . The perfect partner for your BACKRACK™² ORIGINAL STYLE Rack or SAFETY RACK, this LED light bar is available in a 16- or 24-inch size depending on your needs. The LED lights offer crisp illumination and feature up to 30 different amber strobe patterns, including last pattern recall. Brilliantly designed to work specifically with your BACKRACK™ mounting system, each sleekly styled light bar comes with the wire harness and mounting bracket required to attach to your existing rack. **May cause radio interference when operated.**

- 16- or 24-inch styles available for different light output options
- 30 different amber strobe patterns with last pattern recall
- 360-degree light coverage from 22 LED modules
- IP67 weatherproof rating
- Fully encapsulated electronics
- SAE certified, federal DOT compliant
- Meets or exceeds Title 13 Certification regulations for vehicle warning
- Durable light output feature that passed extreme weather tests
- Over 50,000 hours of life expectancy
- Seamless integration with custom plug-in harness and BACKRACK™ no-drill mount (24-inch style requires adapter plate) for ease of installation
- Stainless steel hardware components along with aluminum and composite product materials for durability

Light up the trail

Nothing transforms the view quite like Baja Designs®¹ auxiliary off-road lighting. Three configurations of “portable daylight” solutions are at the ready with dark-piercing power to spare—enhanced with proud craftsmanship, 25 years of off-road engineering experience and rugged, thoughtful construction.

Sport Bar Mounted Off-Road Light Bar

Standing head and shoulders above mass-produced units, these Light Bars add style, visibility and safety. Their unique, scalloped-style design sets them apart from other light bars, while high-quality LED chips and components are designed to take on the rigors of off-roading. Serviceable lenses and bezels mean they’re in it for the long haul, and replaceable O-ring seals and MoistureBlock™ wiring technology help prevent water intrusion. To top it off, the optimized powder coated brackets for the GM Accessories Sport Bar (required; sold separately) are designed to offer just the right mounting height for your vehicle.

- 18,080 lumens output
- Dimensions: 40" W x 3" H x 1.6" D; 6.8 lbs.
- Light color temperature rating: 5,000k (bluish-white)
- Front lens: Replaceable hard-coated polycarbonate
- Light bezel: Quality billet-machined aluminum — not stamped
- Housing: Rugged hard-anodized and powder coated cast aluminum
- Stainless steel hardware
- Powder coated bracket
- Requires Modular Wiring Harness, sold separately

Part #	Description	Vehicle	MSRP ²	Install Time
19417864	40-Inch Light Bar	2019-25 all-new Silverado 1500	\$1,485	0.8 hr

Modular Wiring Harness

- One harness accommodates both LED Light Bars and/or Squadron Sport Lights when installed together or separately
- Includes a remote switch
- Total length: 27.75 ft. with segmented lengths to allow clean installation — no splicing or modifications needed

Part #	Description	Vehicle	MSRP ²	Install Time
19369744	Modular Wiring Harness	2019-25 all-new Silverado 1500	\$145	1.7 hr

Squadron Sport

Ideal for near-field and scene lighting applications, Squadron Sport features rectangular, Matte Black housings and Black bezels. Complete with A-pillar brackets, lights and covers, their cutting-edge looks are performance-backed by bezel O-rings and MoistureBlock™ technology that team up to achieve remarkable resistance to dust and water intrusion. They work well alone or make an ideal complement to the 40-Inch LED Light Bar.

- Output rating: 2,260 lumens per light (4,520 lumens per pair)
- Four CREE® LEDs per unit
- Four-way aiming adjustability with a fortified bracket
- Light color temperature rating: 5,000k (bluish-white)
- Dimensions (each lamp): 3.07" L x 3.07" W x 2.77" D
- Front lens: Replaceable hard-coated polycarbonate
- Light bezel: Replaceable quality billet-machined aluminum — not stamped
- Housing: Rugged, hard-anodized and powder coated cast aluminum
- Stainless steel hardware
- Powder coated hood hinge brackets
- Performance ratings: MIL-STD810G, IP69K-spec dust-tight and water resistant. IK10 impact resistance rating
- Weight per light: 12 oz.
- Requires Modular Wiring Harness, sold separately

Part #	Description	Vehicle	MSRP ²	Install Time

BEDRUG

NEXT GENERATION BEDLINERS

Next-generation bed and tailgate protection

Bed Liner

Bed Liner

For the ultimate in innovative and unique truck bed liners, choose Bed Liner by BedRug®¹ . It offers the look and comfort of carpet in ultra-tough 100% polypropylene (essentially plastic) construction while protecting the truck bed from impact dings and damage. It stands up to the most harsh conditions owners can throw at it – from gravel to battery acid – and still protects precious cargo and your knees!

- Molded to fit specific Chevrolet pickup models to look great and fit like a glove
- Creates a void-free surface without damaging truck bed and allows easy access to factory cargo tie-downs
- Non-skid surface keeps cargo in place
- A built-in hinge between the truck bed and tailgate prevents debris from collecting
- Fade- and UV-resistant foam is similar to that used in life jackets. It won't absorb water and will not mold or mildew
- Water simply runs off the surface, through the zippered perimeter and out truck bed's factory drain holes – drying in as little as 20 minutes
- Cleans easily with a garden hose, power washer or vacuum to look good as new

Bed Mat

With cutting-edge materials designed especially for outside use, the Bed Mat by BedRug®¹  brings protection to Silverado and Colorado truck beds. Featuring an ultra-tough 100% polypropylene mat that's fade- and UV-resistant, it offers the look and feel of carpet in a water-resistant fiber that's slip- and skid-resistant and dries in as little as 20 minutes.

- A ³/₄-inch-thick custom-molded foam backing that conforms to the cargo bed contours while protecting cargo and providing a comfortable kneeling surface
- Foam backing won't scratch truck bed or allow mold or mildew to form – water simply runs out truck bed's factory drain holes
- A contact surface that stands up to nearly any spill imaginable – bleach, battery acid, oil or gasoline washes right off
- Cleans easily with a hose, power washer or vacuum to look as good as new
- Installs in minutes with hook-and-loop fasteners
- Tailgate mat included for some vehicles (see chart below)

Next-generation protection

Cargo Liner

The heavy-duty VanTred Cargo Liner by BedRug^{®1}  offers protection to your work van's cargo area. With a durable, padded layer, this liner protects the painted cargo floor and helps keep cargo from shifting.

- Rugged construction handles heavy cargo
- Anti-skid surface prevents cargo from sliding
- Padded protection with 3/4" of cushion for added comfort when kneeling
- Waterproof, chemical and stain resistant
- Easily cleaned with just water

BEDSLIDE  [®]

Simplify your workday

BEDSLIDE® 1000 Classic and 1500 Contractor

Reaching for items in your truck bed just got easier, thanks to the sliding drawer system by BEDSLIDE®¹ . It converts the pickup bed into an easy-access drawer that rolls your gear out of the tailgate and into easy reach with a simple pull of the locking handle. Sturdy perimeter channels capture easily adjustable loop anchors for nets and bungee cords to firmly secure goods. Made in the USA with heavy-duty, weather-resistant materials, BEDSLIDE® durability features include:

- Rugged handle and latch construction, tested to simulate 9,000 cycles
- Cam-follower bearings rated beyond the payload capacity for rugged reliability
- Composite, water-resistant decking material coated with rugged, textured spray-on liner material to stand up to scuffs and abrasions

Maximize your sliding drawer system

Side Bins

Utilize more of the space in your truck bed with BEDSLIDE® Side Bins¹ . Designed for the BEDSLIDE® sliding drawer system (sold separately), these bins install on the BEDSLIDE® guardrails as a convenient place to store smaller items. Bins sit taller than the guardrails and over the wheel wells, maximizing the use of space in truck bed.

- All-weather soft surface inside
- Heavy-duty tower brackets for extra stability
- Bins can be positioned anywhere along the guardrail
- No-drill installation
- Two bins and installation hardware included
- 44 L x 7 W x 4 D

A super top for a super truck

Supertop®

Help protect the contents of your truck's bed while enhancing storage capacity with a Supertop® Soft Top by Bestop®¹ . Made of UV-resistant fabric, this versatile soft top offers easy collapsibility when not in use with simple one-person operation. The tinted window panels zip in and zip out so the top can be folded down like a convertible top, providing access to the truck bed.

- One-person operation from the side of the truck
- Fully integrated bow system (no loose screws or bolts)
- Attaches with four clamps (included), NO DRILLING REQUIRED
- Includes front bulkhead bar and tailgate bar for secure installation regardless of bedliner
- Made with heavy-duty Black Diamond fabric (laminated PVC-coated sailcloth that is mildew-resistant and UV-protected)
- Removable and replaceable DOT-approved, tinted rear window panel
- Removable side window panels that roll into a storage pocket
- Improved storage with the integrated boot system that fits the whole top and can easily be hung on a wall
- Functional third brake light (CHMSL) sewn into the top with wiring harness for quick electrical disconnect
- Bow system designed for easy removal, with no screws or loose parts

Gooseneck solutions for 2020–25 all-new Silverado HD (without OE Prep Package)

Get your vehicle ready for towing with a Gooseneck Hitch Package by CURT™ ¹ . These gooseneck hitches allow you to tow RVs, boat trailers, horse trailers and other trailers that meet the towing capacity for your vehicle. Packages include brackets, hardware, electrical components and ball required for gooseneck trailer applications and are designed specifically for trucks produced without a 5th-Wheel and Gooseneck OE Prep Package.

32.5K Gooseneck Hitch with Under Bed Brackets and Hardware

- Features up to 32,500-lbs. Gross Trailer Weight (GTW) capacity²
- Places the ball in front of the rear axle on both short and long bed models
- Included patented 2- 5/16" ball eliminates the need for a side handle
- Routes a 7-way RV blade socket into the truck bed while retaining use of 7-way RV blade at rear of vehicle
- Installation requires no welding, bed flange trimming or bed removal
- Center locator eliminates the need to measure where the ball hole should be during installation

32.5K Gooseneck Hitch

25K Double Lock EZR™ Gooseneck Hitch with Under Bed Brackets and Hardware

- Uses two locking pins and a 3/8" diameter handle to keep the gooseneck ball locked into the center section
- Ball features a flip-over design that allows you to store it inside the receiver hole when not in use
- No measuring required — safety chain loop holes are drilled from the underside of the truck bed
- Designed for fast, easy installation, requires only one person
- No need to lower exhaust
- Uses carriage bolts when possible so only one wrench is needed
- Eliminates sheet metal cutting along inside of fender to insert rails

25K Gooseneck Hitch

Part #	Description	Vehicle	Ball Size	MSRP ¹	Install Time

CrossWing Key Features

Compared to traditional 5th-wheel hitches, the CrossWing™ is up to 65% lighter with a main body weight of only 60 lbs. Assembly and installation can be done by one person. Its unique coupling system offers a visible contact surface, and its head channel guides the kingpin into place for easier hookup. In addition, it offers three points of height adjustment ranging from 16-3/8" to 20-3/8".

- Coupling point offset 5" rearward for added turning clearance
- Allows fore, aft and lateral head articulation when connecting on uneven terrain

Reduce the vibration

Cushion Hitch

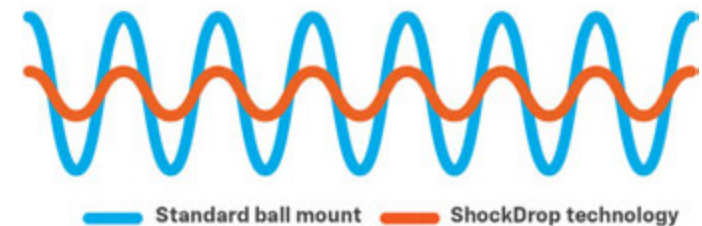

Rebellion™ XD¹ is a leap forward in cushioned ball mount technology. It provides more control, confidence and a more comfortable ride, all while protecting the towing system from jerking, jarring, rattling and trailer sway.

- Dynamic, adaptive suspension ball mount featuring patented ShockDrop™ technology
- Dampens jerking and jarring from bumps and potholes for smoother towing
- Cushioned connection reduces rattling and vibration for a more comfortable ride
- Increases driver control by reducing tendency for trailer sway
- Virtually maintenance-free with no airbag or bearings to service
- Minimizes stress on tow vehicle's suspension and brakes
- Adjustable, 6-position head for precise leveling of various trailers
- 6-1/4" maximum drop and 1/4" rise (shank cannot be flipped)
- Forged steel construction with textured, dark gray teridium finish
- Lighter-weight design for less stress on the trailer hitch receiver
- 15,000-lb.-Capacity Hitch with 2 5/16" ball, 10,000-lb.-Capacity Hitch with 2" ball, fits 2" receivers
- Includes shank and both a 2" and a 2 5/16" ball

Tow with confidence

Ball Mounts

- Fits 2" x 2" or 2 1/2" x 2 1/2" receiver tube opening
- Multiple drop and rise options for various vehicle/trailer combinations
- Durable carbide or Gloss Black powder coat finish
- All-new 2020–23 Silverado HD and all-new 2021–23 Tahoe and Suburban require use of Trailer Hitch Pin 19420542

Trailer Balls

- Constructed from high-strength, hot-forged steel
- Protected by a durable chrome-plated finish
- Zinc-plated hex nut and helical lock washer
- Fine threads provide superior holding strength
- Tested for safety to meet U.S. VESC V-5 specifications

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

Towing accessories

Pintles

Adjustable Pintle Mounts

- Fits 2" or 2 1/2" receiver tubes
- Mounts adjustable pintle hook or ball and pintle combination
- Height adjustment allows for precise trailer leveling
- Protected by a highly durable carbide powder coat finish

Forged Pintle Hooks & Combinations

- Mounts on adjustable pintle mount
- Constructed from solid forged steel
- Changeable trailer ball features a hard chrome finish
- Includes safety pin and bolt kit
- Protected by a durable powder coat finish

Forged Receiver-Mount Hooks & Combinations

- Fits 2" or 2 1/2" receiver tubes
- Constructed from solid forged steel
- Changeable trailer ball features a hard chrome finish
- Includes safety pin with chain or cable
- Protected by a durable powder coat finish

Trailer Hitch Pin

- 5/8" Hitch Pin with Groove and Pin
- Fits 2" or 2 1/2" receiver tubes
- Hitch pin clip included
- Grooved hitch pin allows the clip to be inserted at any angle
- 105-Degree bend creates a useful handle
- Required for use with ball mount hitches on all-new 2020–23 Silverado HD and all-new 2021–23 Tahoe and Suburban

Locks

Hitch & Coupler

- Easy-to-operate 1/4-turn lock activation
- Watertight dust cap prevents internal corrosion
- Sets are keyed alike for convenient one-key operation
- Multiple keys included for added convenience

Fifth Wheel

- Locks fifth wheel kingpin to deter theft of fifth wheel trailer
- Universal design fits most fifth wheel trailer kingpins
- Built with a strong aluminum body for reliable security
- Two keys included for added convenience

Electrical Adapter

- Adapts a 7-way vehicle socket to fit 4-way flat trailer plugs
- Simple plug-and-play design eliminates the need for cutting or splicing

Trailer Package

- Precisely welded for superior strength and fit
- Protected by a durable high-gloss black powder coat finish
- Designed specifically for bike racks and light cargo carriers
- Helps free up interior vehicle space for additional cargo

Multi-Flex Protective Hitch Cap

- Custom-designed to cover your trailer hitch opening when the ball mount is removed; includes cap to provide cover when ball mount is not in use and keeps debris from getting inside the receiver
- Prevent opening your Multi-Flex inner tailgate when receiver hitch is in use to help protect the inner tailgate from potential damage
- Easy installation, requires no wire cutting or splicing
- Does not require a specific hitch pin diameter size to activate
- Includes protective hitch cover, wire harness and installation instructions

Brake control technology

Echo® Mobile Trailer Brake Controller

The Echo® mobile trailer brake controller brings brake control technology into the future. By simply plugging into your vehicle and wirelessly connecting to your smartphone, CURT™  Echo® lets you manage trailer brake activity right from your own device. It comes with a customizable app for Apple® or Android™ phones, a portable design to easily switch between vehicle-trailer combinations and is made of a durable, weather-resistant construction.

- Plugs into the 7-way RV blade socket at the rear of your vehicle and provides a socket to plug in the trailer harness
- Features automatic calibration to help eliminate setup requirements
- Can easily transfer between vehicles and can be used with multiple trailers
- Can store multiple vehicle-trailer profiles, making it ideal for commercial fleets
- Operates using a triple-axis motion-sensing accelerometer
- Compatible with 2-4 trailer brakes (1-2 axles)
- Can be used with low-voltage or PWM wiring systems
- Compatible with cruise control and ABS brakes
- Features built-in reverse-polarity protection and short-circuit protection

The Bluetooth button for the Echo® mobile brake controller is designed to enable hands-free driving. Whether local laws prevent you from using the Echo® phone app or you simply prefer a manual touch, this button allows you to activate the trailer brakes with the press of a button whenever necessary. This manual override button functions in tandem with the Echo® brake controller and your smartphone. With the button synced using Bluetooth, the Echo® continues to operate the trailer brakes normally, as it does with the Smart Control app. However, instead of using the app interface to manually activate the trailer brakes for whatever purpose, this button provides a phone-free experience (Echo® still uses your phone and the app to operate; app must be running for button to operate).

- Programmable for other Flic applications
- Long-range Bluetooth maintains a strong connection
- Includes double-sided adhesive pad for easy mounting on the dash
- Soft-touch material for comfortable use
- Includes replaceable CR2016 battery with lifespan up to three years
- Small-footprint, 1-1/8" diameter
- Can be used with app alone; button not essential for operation
- One-year warranty

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

¹  Non-GM warranty. Limited lifetime warranty by CURT™. For more information, contact your dealer.

Brake control technology

Brake Controller

The Echo® Trailer Brake Controller¹ is truly a trailer brake controller for the modern age. It plugs into your vehicle and wirelessly connects to your smartphone, allowing you to control and monitor all trailer brake activity right from your own device. It comes with a customizable app for Apple or Android phones, a portable design to easily switch between vehicle-trailer combinations and a durable, weather-resistant construction.

- Plugs in behind existing 7-way socket with USCAR connectors
- Features automatic calibration to assist with setup requirements
- Operates using a triple-axis motion-sensing accelerometer
- Capable of being used with 2-8 trailer brakes (1-4 axles)
- Compatible with low-voltage or PWM (pulse-width modulation) wiring systems, cruise control, ABS and EOH (electric over hydraulic) braking systems
- Features built-in reverse-polarity protection and short-circuit protection
- Controller can be used with app alone; Echo® Bluetooth Override not essential for operation but highly recommended for hands-free driving

Override Button

The included Echo® Bluetooth Override button is designed to support hands-free driving. Whether local laws prevent use of the Echo® phone app or you simply prefer a manual touch, this button allows you to activate the trailer brakes with the press of a button whenever necessary. This manual override button functions in tandem with the Echo® brake controller and your smartphone. With the button synced using Bluetooth, the Echo® continues to operate the trailer brakes normally, as it does with the Smart Control app. However, instead of using the app interface to manually activate the trailer brakes for whatever purpose, this button provides a phone-free experience (Echo® still uses your phone and the app to operate; app must be running for button to operate).

- Features double-sided adhesive pad for easy mounting on the dash
- Provides a strong long-range Bluetooth connection
- Includes replaceable CR2016 battery with up to three-year lifespan
- Soft-touch material for comfortable use
- Small-footprint, 1-1/8" diameter
- One-year warranty
- Highly recommended for hands-free driving

Brake Controllers

Spectrum™ Trailer Brake Controller

Maximize the effectiveness of your vehicle's brakes with a CURT™¹  Spectrum™ Trailer Brake Controller and Wire Harness Kit. It tells your trailer's brake system when to brake and how much pressure to apply while towing. The Brake Controller allows convenient control of all brakes' settings with an easy-to-use push-button rotary knob which can be mounted within the driver's reach.

- Triple-axis, motion-sensing accelerometer to help with responsive, smooth stops
- Third axis provides precise, dynamic brake power adjustment when going up or down an incline
- Multiple sensitivity adjustment for varying trailer loads or driving conditions
- Operates 2–8 brakes (1–4 axles)
- Mounts in a variety of angles above or below the dash to increase unit accessibility and display readability
- Features user interface with 10 tri-color LEDs
- Compatible with low-voltage or pulse-width modulation (PWM), ABS and cruise control systems
- Automatic leveling and calibration
- Mounting hardware included
- Quick plug harness installs in less than 35 minutes
- Wire colors match standard brake control harness

Triflex™ NEXT Trailer Brake Controllers and Harness Kits¹

The TriFlex NEXT series brake controllers offer powerful, intuitive brake controlling and dependable operation of trailer brakes from within the vehicle. These brake controllers can operate two to eight brakes on one to four axles.

- Triple-axis, motion-sensing accelerometer to help with responsive, smooth stops
- Third axis provides precise, dynamic brake incremental power adjustment when going up or down an incline
- Nine levels of sensitivity adjustment for varying trailer loads or driving conditions
- LED digital display shows power adjustments
- Compatible with low-voltage or pulse-width modulation (PWM) systems
- Mounts in a variety of angles above or below the dash
- Automatic leveling and calibration

Brake Control Harness Features

- Quick plug harness installs in less than 10 minutes
- Wire colors match standard brake control harnesses

Harness included with 19436251

Harness included with 19435732

Rear seat cover protection

Help protect the rear bench seat of your vehicle with the CURT™ Seat Defender™¹ , an innovative, universal and use-as-needed seat protection system. Rather than being a permanent cover-up for a damaged or unsightly interior, Seat Defender™ works to stop the damage before it happens. With its two-sided, non-skid construction, it is a ready defense against muddy clothes, shedding pets, wet swimsuits and messy food.

- Easy to install, clean, remove and store
- 100% waterproof and machine-washable
- Two-sided construction of thermoplastic rubber and woven 600-denier terylene fabric blocks spills, dirt and more
- Thermoplastic rubber grips the seat, providing added comfort and safety
- Allows for side-airbag deployment
- Available in three colors
- Pet-friendly

Keep your cool anywhere

Powered coolers

Go farther, stay longer and experience more: Dometic Powered Coolers¹ keep food and drinks cool on the go. With access to a power source, this range of high-performance cooling boxes provides a perfect cooling solution when you plan to be away for an extended period.

Built to last, these coolers feature a heavy-duty ExoFrame design that combines a lightweight thermoformed plastic shell with structural insulation and aluminum alloy handles for use in harsh outdoor environments. The convenient CFX3 App allows you to monitor temperature and performance remotely, with a user-friendly and weatherproof, high-resolution interface that displays the operating status. Flexible power options include AC (110-240), DC (12/24V) and DC solar power.

- Designed for maximized internal capacity and optimal storage organization with removable and rearrangeable wire basket and divider
- Powerful VMS03-controlled Dometic ACV20/25DC reciprocating compressor enables refrigeration and deep-freezing for Dual Zone coolers down to -7°F with efficient power consumption
- Three-Stage Battery Protection System automatically shuts the unit off to prevent a dead car battery, or allows a deep draw on dual batteries
- CFX3 app allows temperature control, active diagnostic tools and performance monitoring
- Keeps food and drinks fresh or frozen with fully wrapped evaporator plate
- CFX3-55IM model includes an independently controlled Rapid Freeze Plate with two custom silicone ice trays to make ice
- CFX3-75DZ and CFX3-95DZ models feature dual-storage compartments with independent temperature control for simultaneous cooling and freezing
- Active Gasket Technology with 20mm EPDM seal and anti-condensation coil to seal in the cold
- Weatherproof High-Resolution Color Display for easy use in any condition
- Can be powered by AC (110-240), DC (12/24V) and DC solar power
- An available external PLB40 lithium battery (sold separately) offers lightweight and compact design to enjoy travel off-grid for longer
- Includes cooler, instruction manual, power cable for DC 12/24V connection, power cable for 100-240V connection and removable wire baskets

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

19432628	PLB40 Portable Lithium Battery 40Ah	10.2" H x 7.76" W x 7.76" D	\$849.99

The Dometic PLB40 Portable Lithium Battery 40Ah¹ delivers high levels of mobile power – up to 53 hours of Dometic CFX3–45 cooling on a single charge (hours may vary based on cooler size and environmental conditions).

- Designed for powered coolers and other 12V appliances
- Recharges with vehicle 12V socket, solar panel (not included) or AC power
- Power supplied by integrated Lithium Iron Phosphate (LiFePO₄) battery cells, providing 512Wh of energy, 40Ah.
- Weight: 16.1 lbs.

GO Hydration

Go farther, stay longer and experience more with the Dometic Water Jug and Faucet¹ (each sold separately). They store and dispense water needed when traveling. Both are BPA free.

Water jug and faucet

The Water Jug holds a water supply of up to 11 liters. The Water Faucet transforms the Jug into a running water system with no external power supply needed.

Part #	Description	Dimensions	MSRP ²
19434711	GO Hydration Water Jug 11L	10" x 14.5" x 7" with 2.5" universal opening	\$79.99
19434712	GO Hydration Water Faucet	Battery dispenses 150L per charge	\$109.99

Keep your cool anywhere

Patrol 20 Cooler in Ocean Blue with Handle

Patrol 35 Cooler in Olive

Patrol 55 Cooler in Slate

Patrol coolers

Through heat and dust, pouring rain and mud, Dometic Patrol¹  ice chests take it all in stride. The robust, one-piece rotomolded polyethylene design make the ice chest tough enough for years of outdoor adventure. On hikes, rides and climbs, its dependable cool storage makes the Patrol an ever-present companion. Ready for the challenge, it dares you to go further because it can handle harsh treatment. And every scratch tells a story.

Dometic high-performance cool boxes have an extremely effective insulation system. When fitted with ice packs or ice cubes, they can keep drinks, groceries, fish or bait fresh for days.

Every detail of the Patrol cool boxes, made from impact-resistant and seamless plastic, is designed to withstand the toughest condition. This trusty cool box comes with strong and thick refrigeration-grade foam insulation. Its

unique labyrinth design holds cold air in, while keeping the warm air out, for longer lasting ice regardless of the outside temperature and conditions. So take food, drinks, bait or whatever else you need to keep cool, and trust the Patrol to keep it fresh.

- Thick PU insulation keeps ice frozen for days
- Large, leak-proof drain makes cleaning easy
- Deep-freeze lid seal ensures no gaps for air to enter or escape
- Rugged construction with one-piece rotomolded polyethylene
- Rubber latches allow for convenient one-hand opening
- Patrol 20 Cooler features convenient metal lunch box handle for easy carrying

ECHOMASTER

Eyes behind you

Replacement Rearview Mirror with 7.3" Display

Expand your field of vision with the Replacement Rearview Mirror from EchoMaster®¹. This rearview mirror with a 7.3" camera display uses the vehicle's factory Rear Vision Camera for when the vehicle is in reverse. For added confidence, the 7.3" display helps to improve the view of any obstacles behind the vehicle.

Also available is a 7.3" camera display version that includes an HD camera that mounts to the vehicle roof and provides a full-time view, which can be helpful for cutaway and box truck vehicles. The camera can display a real-time representation of what's behind the vehicle while driving.

Includes rearview mirror, harnesses to make the system plug-and-play, top mounted camera and extension cable (for auxiliary HD camera version only), and installation materials and instructions.

- Large 7.3" screen built into rearview mirror replaces standard factory display
- Adjustable brightness
- Ability to view image at any time, not only when in reverse
- Plug-and-play functionality
- Compatible with Forward Collision Alert (if equipped)
- Included full HD camera mounts to the vehicle roof and provides a full-time view, which can be helpful for cutaway and box truck vehicles (part # 19436517 only)

Replacement Rearview Mirror with 7.3" Display and Full HD Camera

Intelligent towing

IntelliHaul trawling camera systems

The IntelliHaul 3.0 Trawling Camera System from EchoMaster[®]  is built with trawling in mind. This system includes side blind spot cameras, a front-facing camera, a wireless trailer camera and smart graphical user interface (GUI) integrated into the vehicle touch-screen. The GUI automatically activates cameras based on driver behavior, such as placing the vehicle in reverse or using turn signals. Manual camera activation is also available using the touch-screen controls.

- Mirror caps for housing cameras are designed to match the factory side mirror color and texture of vehicle
- Camera housing seamlessly integrates into vehicle's side mirrors without adding any additional bulk to the vehicle
- Intuitive GUI allows manual activation of all cameras and offers a split and multiview screen option
- Front camera mounts to truck's front grille or bumper
- HD camera contains a Sony IMX 225 sensor and provides a 170° viewing angle
- Camera can be set up to automatically activate based on driver speed or manually activated by the integrated touch-screen GUI
- Interchangeable with multiple trailers, each equipped with added optional wireless cameras (sold separately) for fleet vehicle needs, such as landscaping or commercial hauling
- Engineered module allows for seamless plug-and-play installation

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

iSimple®

Stay connected

USB cable

Staying connected is vital—and iSimple®1 helps to keep mobile devices charged up and ready for work or play. With a dual option connector to adapt USB charging and audio ports to many devices, uLinXMAX USB cables by iSimple®1 provide outstanding flexibility and durability. They feature heavy-duty dual-layer shielding for reducing electromagnetic (EM) and radio frequency (RF) interference, helping to ensure clear audio quality. Constructed with a high ratio of pure copper wire strands for optimum power flow, they are capable of providing up to 3 amps of charging power. With a generous 3-foot total length (~1 meter), they allow easy device placement around the USB port.

- Compatible with Apple CarPlay™ and Android Auto™
- USB Insertion test: Exceeds 10,000 cycles
- Phone side connector features 55-lbs. pullout force (the force required to separate the connector from the cable)
- Outer cable wall thickness: .55mm

Part Name	Part #	MSRP ²
Lightning and Micro-USB Combination Cable	19368582	\$30

Bluetooth Phone Connection Kit

This plug-and-play kit works with your in-vehicle radio (for vehicles without Bluetooth) to add Bluetooth calling and music streaming capabilities. Using the control button with status LED located on the dash, you can activate Siri and Google Assistant to control music selections and manage calls. Your display will show on-screen text about incoming calls and current music playing.

- Plug-n-play installation to in-vehicle radio with included wiring harness
- Included control button with status LED for the dash activates Siri and Google Assistant
- Hands-free, voice-activated calling with included microphone
- Excellent sound quality for listening to voices on phone calls and to music
- Display shows incoming phone calls and current music playing

KICKER®

Take tailgating to the next level

The Multi-Flex tailgate available on the Silverado is the most innovative pickup tailgate ever. KICKER®¹ makes it the life of the party with a weatherproof audio package that fits the Multi-Flex or StowFlex tailgate exclusively. Bluetooth® sound streams from connected devices to the 2-channel, 100-watt (50 watts RMS per channel) tailgate sound system. The illuminated display puts the user in charge of the programming track, volume and source.

- System operation that is completely independent of the interior audio system
- Bluetooth® compatibility for wireless playback
- 3.5mm and USB inputs for audio playbacks and device charging
- A custom ABS baffle
- A weatherproof amplifier hidden in the tailgate
- Compatibility with Chevrolet Accessories light kits (sold separately)

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

Non-accessory items shown not included.

¹ Non-GM warranty. Limited warranty by KICKER,® 3 years/36,000 miles (whichever occurs first). For more information, contact your dealer.

² Manufacturer's Suggested Retail Price. Tax and installation extra. See dealer for details.

³ Due to the added weight of the system you will notice a considerably faster tailgate opening speed.

LOAD TAMER™

Make cargo management a cinch

Bed Net by LoadTamer™ 1

Designed to handle all load shapes and sizes, LoadTamer™ 1 Bed Nets provide worry-free hauling. Made to last, they cinch tight to conform snugly to cargo and anchor securely.

- Used for over 20 years by U.S. military and NATO forces
- 100% nylon mesh construction with a 4" hole size
- Choice of 64" x 72" (1625.6mm x 1828.8mm) or 64" x 96" (1625.6mm x 2438.4mm)
- Weight rating: 500 lbs. (limited by truck anchor points)
- Adjustable cinch rope and rope lock allow single-point adjustment at the tailgate after anchoring
- UV- and weather-resistant
- 6 closed-gate anchoring carabiners for standard bed version (8 for long bed version)
- Includes a hook-and-loop strap to organize unused cinch rope
- A black nylon drawstring bag is included for net stowage

Divide and conquer your cargo needs

Designed to handle smaller cargo items and to better organize cargo space, the Truck Bed Divider Net by LoadTamer™¹  is a great solution for loose and miscellaneous cargo items. Made of heavy-duty black nylon, this UV- and weather-treated, military-grade netting has been used for over 25 years with all branches of the U.S. military. It can be cinched tightly to secure items such as groceries and sporting goods, and help to keep them from sliding around during travel.

- One-touch adjustability for bulkier cargo and tightening
- All attaching clips are closed gated, so they can't fall off while in operation
- When not in use, it can hang in the corner or be stowed under the rear seat in a drawstring bag (supplied)
- Installs in less than a minute and adjusts with a pull of the tug rope or push of the release button
- Works in four (4) positions on short beds and two (2) positions on long beds
- Net consists of 2.5" squares and an XRT quick-release rope tensioning device
- For tailgate end of truck bed or behind cab
- Can be used on inner sidewalls of truck bed to secure items against the sidewall (68" & 76" short beds only)
- Measures 57" x 15"

Elevate your camping experience

Sportz Link 51000 pictured

Sportz Truck Tent by Napier Outdoors

Elevate your camping experience with a Sportz Truck Tent by Napier¹ . Simple to set up, the Truck Tent takes your pickup bed far beyond hauling, with two-person trail camping functionality and convenience:

- Compact and lightweight — keep the tent behind a seat for an unexpected adventure
- No need to unpack — keep gear in the vehicle and sleep in the tent
- Patented sewn-in floor for protection against the elements and for water resistance — a Napier's Truck Tent Exclusive
- Color-coded pole and sleeve system allows for fast, easy setup
- Large interior space, with more than 5.6' of head room
- Full rainfly, two side vents and two large windows with a middle divider for optional ventilation
- Rear access panel allows access to the truck cab for additional storage
- 4' x 4' shade awning secures to the tailgate
- Sportz Link Model 51000 Ground Tent seamlessly annexes a ground tent attachment to the truck bed tent
- Expandable carrying bag for easy storage

Ease into your campsite

Sportz SUV Tent by Napier Outdoors

Get even more out of your camping experience with the Napier Sportz SUV Tent¹ . This ground tent is easy to set up, simple to attach and adds extra fun to your camping adventure. It can be used as sleeping space for five campers or to increase dining, lounging or storage space. The tent's sleeve connects to your vehicle, allowing for access to gear and leaving more room in your tent for you or your family and friends. An extendable awning provides shade for sitting when outside the tent.

- Universal sleeve fits Chevrolet vehicles listed below
- Seamlessly connects to the cargo area of your vehicle
- Spacious 9 x 9-foot ground tent provides over 7 feet of headroom
- Tent features gear loft, gear pocket and lantern holder
- Simple pole hub design allows for setup in less than 20 minutes
- Tent features two large doors, three mesh windows and two overhead skylights
- Large 6 x 6-foot extendable awning provides shade and a protected area
- Tent transforms into a traditional ground tent by unzipping the vehicle sleeve (however, rainfly will not cover the sleeve side)
- Made of high-quality polyester taffeta and polyester oxford
- Includes tent, tent bag, pole bag, two tent tie straps, eight tent poles, two awning poles, rainfly, gear loft, four guy lines, stake bag, twenty-five stakes and four awning pole caps

NOCO[®]

Get a jump on battery issues

Lightweight, powerful battery boosters

Dead vehicle batteries are no longer a problem, thanks to Genius Boost Jump Starters from NOCO®¹. These portable lithium-ion battery jump starter packs feature patented safety technology that provides spark-proof connections and reverse polarity protection, making them safe and easy for anyone to use.

If you need a professional tool to help you understand the problem, you can turn to the NOCO GB150 with the integrated voltmeter. There is a myriad of reasons why your vehicle may not start. With a built-in digital voltmeter, you can quickly determine if it's a discharged battery or something else.

They are lightweight, weighing as little as 2.3 pounds, and can double as a portable power source for recharging USB devices, including smartphones and tablets. The GB150 model features an integrated digital voltmeter to help track down the source of a no-start condition. Batteries showing 12.7–12.8 volts are good to go, allowing you to trace starter, alternator or battery cable issues instead.

Depending on the model, you can also power 12-volt devices, such as tire inflators and power inverters. Available in GB40, GB70 and GB150 versions, they feature an LED flashlight with 7 light modes, including SOS and Emergency Strobe and deliver multiple jump starts on a single charge, ensuring safe motoring for you and your loved ones.

Part #	Model	Amps	Jump Starts Per Charge	LED Flashlight (Lumens)	Engine Application (Up to)	12-Volt Powering	MSRP ¹
19366935	GB40 Boost Plus	1,000	20	100	6L gas or 3L diesel	No	\$109.95

Protect and power up your Genius Boost Jump Starter

GB40 Boost Plus Case

GB70 Boost HD Case

GB150 Boost Pro Case

XGC4 Power Adapter

Cases

Carry, store and protect your Genius Boost Jump Starter with a convenient EVA protective case by NOCO®¹. Designed specifically for the GB40, GB70 or GB150 Genius Boost Jump Starters, each case is made with a rugged EVA (ethylene vinyl acetate) semi-rigid design. Lightweight and durable, the zipper case provides protection from moisture, impact and dust.

Power adapter

Charge your GB70 or GB150 Genius Boost Jump Starter rapidly with a fast XGC4 Power Adapter by NOCO®¹. Made of a heavy-duty design, the XGC4 Power Adapter provides charging times up to 5 times faster than traditional methods. A high-efficiency 56-watt power supply provides efficient energy transfer while a universal power supply allows use in North America, Europe, United Kingdom and Australia.

Part #	Model	MSRP ¹
19418379	GB40 Boost Plus EVA Protective Case	\$21.95

NOCO

Charge fully drained batteries with smart chargers

Say goodbye to bulky trickle chargers — now you can safely charge select Chevrolet vehicles (excludes Camaro and Corvette) with a NOCO®¹  Genius Charger. Compact and rugged, these portable automatic battery chargers and maintainers are specially designed to energize 6V, 12V and 24V lead-acid and 12V lithium-ion batteries. Patented safety technology provides spark-proof connections and reverse polarity protection. With the push of a button, you'll have the ability to switch between various charging modes. It's as simple as connecting the charger to the vehicle's battery, select the mode and leaving the battery to charge. Once the vehicle's battery is fully charged, the indicator will glow green and the unit will stop charging. All that's left to do is detach the Genius Charger and go.

- Keeps the battery fully charged indefinitely without over-charging
- Stabilizes internal battery chemistry for increased performance and longevity
- Intuitive visual diagnostic tool for detecting reverse polarity, low-voltage or damaged batteries.
- Dirt, water, UV, impact and crush-resistant
- Force Mode charging allows you to charge batteries reading as low as zero volts
- Low battery voltage recognition down to 1 volt

What's in the box:

- Smart charger
- Battery clamp connectors with integrated eyelets
- User guide and information guide & warranty

Connect and charge

Eyelet (M6 hole) Terminal Connector

X-Connect 10' Extension Cable

XL Eyelet (M10 hole) Terminal Connector

Eyelet connectors

Increase the flexibility of your Genius 5 or Genius 10 Smart Charger with an Eyelet Terminal Connector by NOCO®¹ . Available in two configurations (with M6 hole or M10 hole), the Eyelet Terminal Connector includes a 24-inch DC cord that is designed to work simply and exclusively with the proprietary NOCO® X-Connect located at the end of the Genius Smart Charger's DC cord. The Eyelet Terminal Connector features a lay-flat design for easy installation and can be permanently mounted to a vehicle battery for simple connection when your vehicle is stored for a length of time. The connector includes a 10-amp in-line fuse for additional protection.

Extension cable

Extend the distance from your Genius Smart Charger to your battery by up to 10 feet with the X-Connect 10-Foot Extension Cable by NOCO®. Simply disconnect the proprietary NOCO® X-Connect on the DC cable side of the Genius Smart Charger and connect the extension cable to expand the reach of your Genius Smart Charger to your battery.

Help expand your views

Help protect yourself and your vehicle while on the road or parked with an OPSIS by Stinger™ Dash Cam¹ with Advanced Driver Assistance System (ADAS). Easy to control via a smartphone app, these dash cams have a wide viewing angle and two channel recording – both a front and an interior rear-facing camera. During potential impact or theft incidents, they automatically record and save video files to a 32GB Micro SD card. These cameras connect to the OPSIS by Stinger app wirelessly so videos can be viewed on a smartphone.

- Parking Surveillance Mode includes Impact Detection for recording during a hit-and-run situation and Energy Saving Mode for conserving power when the system is inactive
- Motion Detection records potential theft or vandalism attempts while the vehicle is unattended
- Plug-and-play installation with no cutting, splicing or programming to vehicle

Full HD Front Dash Cam with ADAS 32GB SD Card and Full HD Rear Camera

This dash cam records both the front and rear views of your vehicle in 1080p Full HD. The camera system allows you to choose parking protection for your vehicle with enhanced Parking and Time Lapse for Parking Surveillance modes.

- Stunning HD 1080p video quality delivers crisp, clear, high definition video recordings
- Front camera: 135-degree (diagonal) viewing angle; Rear camera: 130-degree (diagonal) viewing angle
- Ultra-Low Night Vision (selectable in App, activated in Parking Mode)

PUTCO®

Your cargo, your way

MOLLE Rack System

Secure your gear on the go with Putco® MOLLE Rack System Panels¹ . The Putco® MOLLE (Modular Lightweight Load-carrying Equipment) Rack System is custom engineered to fit directly to each make and model using the existing mounting points in the truck bed. The rack systems allow you to keep your gear organized, easily accessible and secure. They work with all MOLLE, PALS, Quick-fist and many other gear strapping systems to hold your cargo in place on all types of roads. Panel is not intended for use as a tie-down point.

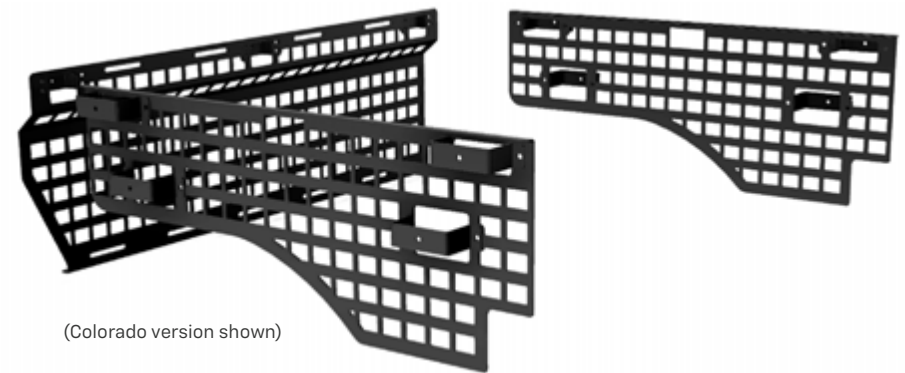

- Custom-fit designs engineered for a range of vehicle makes and models
- Lightweight cargo solution
- Easy-to-use and fully customizable
- Mount MOLLE bags, trail gear, tools, high lift jacks, axes, shovels, RotopaX, Maxtrax and more
- Compatible with many Putco® strapping mechanisms
- Simple installation that utilizes existing mounting point – no cutting or drilling
- Provides clearance for factory tie-downs and access to bedside outlets and lighting
- Compatible with bed covers (except on all-new Colorado) and spray-in bed liners; not compatible with drop-in bedliners or sport bars

- CNC-cut from heavy-gauge 1/10-inch-thick 6000 Series aluminum with a black mini-texture powder coat finish
- Driver-side, passenger-side and cab-side panels sold separately for maximum customization
- Perfect addition for over-landing builds
- Backed by Putco's limited 3-year warranty
- Dynamic Load Rating: Not to exceed 75lbs
- Static Load Rating: Not to exceed 200lbs

(Mounted equipment shown for illustrative purposes and not included)

Your cargo, your way

MOLLE Grip Clamps

Skip the bungee cords and secure your crucial gear and tools like a pro with Putco® MOLLE Grips¹. Manufactured out of heavy-duty grade rubber and heavy-duty FRP (fiber-reinforced polymer), these were designed to withstand adverse weather and UV rays.

Each Molle Grip includes a patented Molle mount plate that allows the quick and ultra-secure installation to a Molle panel. These plates are compatible with Putco® Molle Panels – and also with several other brands of Molle panels.

These Molle Grips are the ultimate solution when trying to secure and organize all your crucial overlanding or military equipment, such as shovels, axes, flashlights, ratchets, rifles, shotguns, tactical equipment, hammers and high lift jacks. Your gear will be ready and in place when you most need it.

- Heavy-duty grade rubber and FRP
- Hold up to 25 or 50 lbs., depending on size
- Accommodate widths between 5/8" and 3 1/4" in diameter, depending on clamp size
- Great for securing a shovel, ax, tactical gear and more
- No-drill installation
- Kits include grips and mounts

Illuminating capability

Hornet Light Bars

Add extra visibility to your vehicle while on the job with a Hornet Light Bar from Putco^{®1}. The LED lights offer crisp illumination and feature up to 30 different amber strobe patterns, including last pattern recall. Brilliantly designed to secure to your vehicle's CHMSL (Center High Mounted Stop Lamp) or your BACKRACK^{™2} mounting system, each sleekly styled light bar comes with the wire harness and mounting bracket required for attachment.

- 30 different amber strobe patterns with last pattern recall
- 360-degree light coverage from 22 LED modules
- IP67 weatherproof rating
- Fully encapsulated electronics
- SAE certified, federal DOT compliant
- Meets or exceeds Title 13 Certification regulations for vehicle warning
- Durable light output feature that passed extreme weather tests
- Over 50,000 hours of life expectancy
- Seamless integration with custom plug-in harness and no-drill mount for ease of installation

Venture to endless possibilities

Tie-down points allow for securing cargo

Claw-Grip Joints securely fasten the rack body together

Innovative no-drill installation

Venture TEC™ Rack

Venture TEC™ Rack system¹ by Putco® begins with a sleek bed rack designed to provide endless mounting options through its patent-pending TEC channel system. Constructed using high quality, lightweight 6061 T6 aluminum, this cargo system allows you to bring virtually anything on-the-go. The Venture TEC™ modular cargo system provides several different mounting options. The system includes the Rack, Cross Rails, and a full functioning secondary CHMSL taillight and allows for the use of a RealTruck Advantage^{®2} hard rolling truck bed cover.

- Lightweight and strong all 6061 T6 Aluminum construction
- Pass-through channel for in-stanchion wire routing
- CNC 7 axis bending for exact vehicle cab contour
- TEC channels for accessory modifications
- No-drill installation stake pocket
- High-impact durable black powder coat finish
- Up to 500-lb. tie-down strength
- Included cross rails support up to 500-lbs. weight capacity³
- Compatible with all Putco® TEC accessories
- Putco® exclusive patent pending extrusion tube
- Works with RealTruck Advantage^{®2} hard rolling truck bed covers

Rear Light bar works as a Secondary CHMSL

Venture TEC™ Rack works with Putco® Blade Tailgate LED Light Bar bringing a full functioning Secondary CHMSL taillight to the rack system. The light bar provides the same functionality as the 3rd Brake Light.

Venture to endless possibilities

Venture TEC™ Rack accessories

Putco®¹ offers many available accessories that allow you to fully appreciate and enjoy the TEC™ Rack system.

Venture TEC™ Full Length Mounting Plate-54"

Full-length black-coated aluminum attachment grate for mounting important items.

Venture TEC™ Grab Handle

An aluminum die-cast handle that fastens anywhere on the Venture TEC™ Rack to provide a sturdy grip to hold on to.

Venture TEC™ Side Table Brackets with 12"x24" Shelf

Shelf provides a support for a platform that can be used as a work space or table.

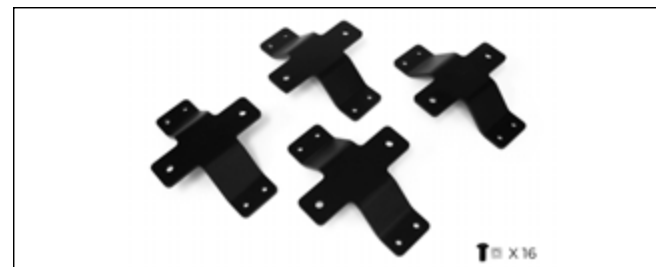

Venture TEC™ Tie-Down

Pair fastens nearly anywhere on the Venture TEC™ Rack to provide up to 500 lbs. of tie-down strength.

Venture TEC™ Small Mount Plate

Made from black-coated stainless steel attaches to the side of the Venture TEC™ Rack.

Venture TEC™ Mounting Kit — for use with Napier and Freespirit Recreation® rooftop tents

Elevate your adventure with rooftop tents more easily with this Mounting Kit, designed specifically for your Putco® Venture TEC™ Rack or Elevated Cross Rails (if installing with Elevated Cross Rails, TEC Rail by Putco® is required). The mounting kit allows you to mount a rooftop tent that needs more bottom clearance and can be adjusted along the top of a Venture TEC™ Rack.

Be prepared

Traction Recovery Kit

Help add traction when and where it's needed most with the Traction Recovery Kit by Rugged Ridge®¹. The heavy-duty reinforced nylon traction boards provide essential grip on slick surfaces.

- Helps prevent tires from getting stuck in sand, snow or mud
- For use in a wide variety of recovery scenarios, on-road and off-road
- Bright color provides optimum visibility
- Lightweight traction boards are easy to mount for storage and quick access
- Traction boards: approximately 48 x 14 inches; withstand pressures up to 20,000 lbs.
- Kit includes a pair of recovery tracks and a tri-fold shovel

Universal Tri-Fold Recovery Shovel

Be prepared when off-roading with this Tri-Fold Recovery Shovel by Rugged Ridge®¹. It is a fully functional heavy-duty shovel for cutting and digging. The collapsible design folds to 9 inches for easy storing in any vehicle.

- Textured powder coat finish in Black
- Shovel measurements: 23" (open), 9" (folded), 6" wide
- Includes one shovel and one durable storage case

Part #	Part Name	MSRP ²	Install Time
19434306	Traction Recovery Kit by Rugged Ridge®	\$199.99	0.2 hr

Elite Fire Extinguisher Holder

The perfect way to store that essential fire extinguisher on an off-road vehicle! This Elite Fire Extinguisher Holder by Rugged Ridge^{®1} can be mounted directly to a sport bar tube or to any flat surface with the included hardware.

- Billet-style cast aluminum construction
- Durable textured powder coat finish
- Spring-loaded release mechanism made from 316 Stainless Steel
- Stores standard 2.5-lb. round fire extinguisher (sold separately)
- Dimensions: 9" x 5.5" x 5"
- Includes one fire extinguisher holder, base mount, four Velcro straps, two M8 flat head screws, two M8 flat washers, two M8 lock nuts and installation instructions

Jerry Can

This Jerry Can by Rugged Ridge^{®1} offers a reliable way to carry fuel reserves. It features stamped steel construction with a sturdy triple-bar handle and a hinged fuel cap with safety latch and locking pin. Meets DOT regulations for safe transport of fuel in an approved can carrier.

- Vintage styling with Red gloss finish
- Capacity: 20 liters (5.28 gallons)

Jerry Can Spout

Get fuel from can to tank with the Jerry Can Spout by Rugged Ridge^{®1}. Designed to work with Rugged Ridge[®] Jerry Can (sold separately), the base plate locks to securely attach the spout to jerry can. Includes steel spout with flexible tube and gasket.

Molle Storage Bag System

The Molle Storage Bag System by Rugged Ridge^{®1} helps provide protection for gear. Designed for installation on MOLLE mounting systems (sold separately), these bags offer durable closures and a stiff material that holds it shape.

- Constructed out of heavy-duty polyester weave with UV protection
- Includes two large bags (each 12" x 5.5" x 8.5"), two medium bags (each 8.5" x 3.5" x 5.25") and two small pouches (each 2.5" x 2.5" x 4.5")

Protect your investment

Front Splitter Protector

The ground-hugging styling of your Corvette draws admiring stares from passersby. It also attracts unwelcome road hazards. Now you can help protect the front underside of your investment with a Front Splitter Protector from Scrape Armor®¹. Specifically engineered for your Corvette, it's the first line of defense against parking curbs, steep driveways, potholes, and other road obstacles.

Constructed of Teklite™, a lightweight, strong polymer that expands and contracts at the same rate as the front bumper, Scrape Armor® ensures a perfect fit in any weather. It also features a patented Glidetek™ rail design that reduces contact surface area by more than 50 percent for protection. Additionally, the Eliptek™ edge profile ensures aligned contouring on the front and rear edges, helping to prevent getting hung up on parking curbs or other obstacles.

SMARTCAP[®]

Protect, pack up and personalize

SmartCap® EVO Sport Truck Bed Cap Systems

Take storage and overlanding activities to a new level with SmartCap® EVO Sport Truck Bed Systems¹. Forged from stainless steel, the weather resistant and modular SmartCap is designed to help protect truck bed cargo for work or play. Excellent when used on its own—or as the foundation for SmartCap components and Gullwing components (sold separately) to customize storage and organization options even further.

- Five-piece design features an innovative sealing method that makes the SmartCap weather resistant when properly installed
- Positive pressure air vent helps to keep road dust outside of enclosed truck bed
- Includes a front slider window (standard on all EVO Sport models)
- Features dual-side Gullwing doors with flush-mounted side windows to allow easy access to truck bed cargo
- Latching mechanism opens with just the push of a button, and the doors are keyed alike for easy access and security of cargo
- Incorporates a high-mounted third brake light
- Integrated roof rails allow use of other SmartCap components (sold separately) for mounting cargo, gear and other equipment
- Roof rails hold up to 330 lbs. when moving and up to 770 lbs. when parked

Part #	Description	Vehicle	MSRP ²	Est. Install Time

Components that integrate

Load Bars

The Load Bars offer a compact, lightweight solution for mounting rooftop tents, kayaks, bikes or many other accessories. They are designed specifically for use with the SmartCap® EVO Sport (sold separately).

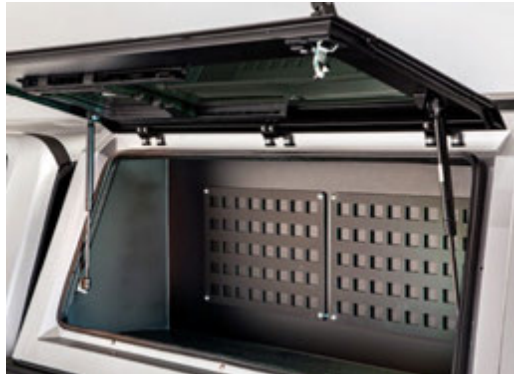

- T-slots for mounting universal accessories
- Load rated to 770 lbs. (349 kgs) static and 330 lbs. (150 kgs) dynamic
- Designed with exacting specifications and made from automotive grade stainless steel to deliver years of outstanding performance
- Can be adjusted fore and aft to accommodate most roof rack accessories
- Includes load bars, mounting hardware and installation instructions

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19431884	Load Bars	2023-24 all-new Colorado	\$255	0.5 hr

Full-Bin

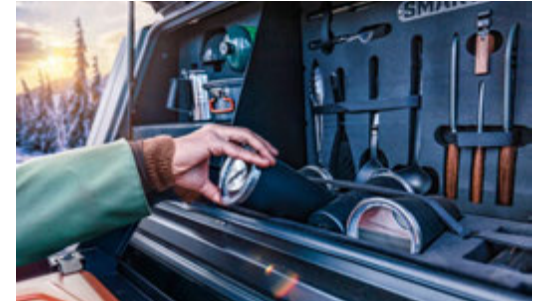

Encapsulating the entire Gullwing opening, the Full-Bin offers up to 5.62 cu. ft. of storage space and includes a MOLLE panel for mounting, organizing and stowing gear.

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19431891	Full-Bin Left Side	2023-24 all-new Colorado	\$525	0.4 hr

Camp Kitchen

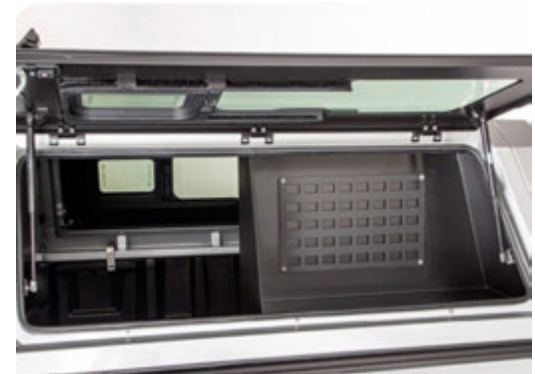

From camping to overlanding to tailgating, the SmartCap® Camp Kitchen turns your truck into a highly organized moveable feast.

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19431886	Camp Kitchen for Left Side	2023-24 all-new Colorado	\$2,345	0.4 hr

Half-Bin

The Half-Bin gives the best of both worlds—easy access cargo at the front of the bed, while turning the other half of the Gullwing opening into a highly organized storage space. The included MOLLE panel allows you to mount, organize and stow gear.

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19431895	Half-Bin Left Side	2023-24 all-new Colorado	\$475	0.4 hr

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

- Associated Accessory. Non-GM part.

Smart personalization

SmartCap® Universal Components¹  are convenient, handy accessories that can be used to enhance your SmartCap experiences or be used separately, as needed, for any other type of adventure you choose.

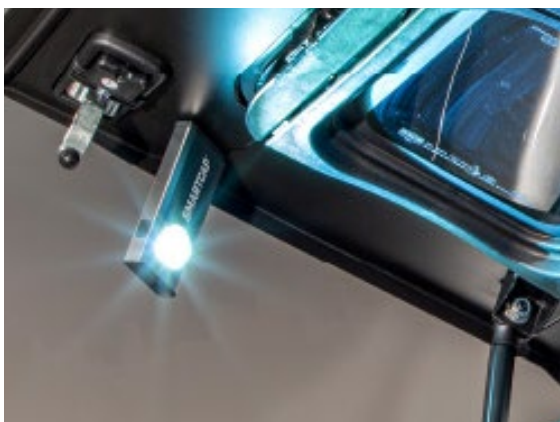

Stow Away Table

The SmartCap Stow Away Table is a pop-up picnic table and mounting bracket that tucks away conveniently in the interior roof of your SmartCap. Rather than have the table buried under all your camp gear, simply turn the lever, pull the table out, set it up and unload the rest of the truck right on to it. Pretty smart!

- Slides into an included precision fit bracket mounted into the interior roof of your SmartCap
- Made from automotive grade stainless steel to offer years of outstanding performance
- Dimensions: 49.53" L x 30.91" W x 3.94" H
- Weight: 41.89 lbs

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19432164	Stow Away Table	All SmartCap® Models	\$525	0.5 hr

Torch Magnetic Led Flashlight

Shine a light when using your SmartCap with the Torch Magnetic LED Flashlight. It magnetically mounts to the SmartCap or any other metallic surface, letting you shed light—right where you need it.

- 50-500 lumens of light — from 50 all the way up to 500 lumens, adjustable to deliver the light level you need
- Made from alloy construction with an anodized finish, the Torch LED Flashlight is built for the most rugged conditions
- Rechargeable via USB port

Part #	Description	Vehicle	MSRP ²	Est. Install Time
19432165	Torch LED Flashlight	All SmartCap® Models	\$70	0.0 hr

Engineered to Deliver

Steel and aluminum utility racks

Commercial-grade load support in a choice of steel or aluminum construction to get the job done! Choose TracRac® Utility Racks² for durability, functionality and flexibility.

Half-Steel Utility Rack

Cantilever Cab-Over Extension

Half-Steel Utility Rack

- Two-position operation easily adjusts to accommodate various loads
- Load arms adjust from 22 to 37 inches
- Rugged 1.5-inch rectangular tubes
- Heavy-duty 14-gauge welded steel construction
- Durable Black powder coat finish
- Rack can be removed from the cargo bed
- Installs with basic hand tools and drill – easily removable
- Made in the USA
- 40 pounds
- Up to 250 pounds (check vehicle Owner's Manual for load capacities)

Complete Aluminum Rack System – Two Crossbars

- Unique saddle base construction shape increases strength and rigidity
- Internal web structure on crossbar increases strength and light weight helps make it easy to install/remove
- Aluminum tie-downs adjust to various loads
- Side cleats provide additional tie-down points
- Aerodynamic and quiet – wind deflectors reduce noise
- No-rust aluminum construction with dual-stage powder coating
- Patent-pending modular design for added flexibility when transferring to a new truck or replacing components
- No-drill installation uses single-axis clamps for easy removal
- Tool box mount kit included
- 55 pounds
- Up to 800 pounds (check vehicle Owner's Manual for load capacities)

Cantilever Cab-Over Extension

- Adds an extra 32 inches of load support
- Protects truck cab from long loads
- Combined with the complete rack system, a short bed truck and cargo is over 8 feet long
- Combined with the complete rack system, a long bed truck and cargo is over 10 feet long
- Features wind-deflecting technology for minimal wind noise
- 20 pounds
- Cantilever extension will not increase the loading capacity of your Thule® TracRac®; load should be evenly distributed across the two crossbars of the overhead racks; cantilever extension is meant to protect the cab from long nonrigid materials

For the complete list of Chevrolet Accessories, see your dealer or visit chevrolet.com/accessories.

¹ Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Must not exceed vehicle and box cargo capacity. Cargo and load capacity limited by weight and distribution.

²  Non-GM warranty. Lifetime limited warranty by TracRac®, 3 years/36,000 miles. For more information, contact your dealer.
