<sup>1</sup> Associated Accessories. Non-GM part. <sup>1</sup> Most Buick Parts and Accessories sold and installed on a Buick vehicle by a Buick Dealer or a Buick-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Buick Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever occurs first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Buick Parts sold over the counter, or those not requiring installation, will continue to receive the standard Buick Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Buick warranties do not apply to Associated Accessories. See your dealer for details. <sup>2</sup> Associated Accessories are not tested by Buick or necessarily undergo the same third-party testing procedures as Buick Accessories.
