

GM Accessories Parts Manager Bonus Program

July 1-
October 2

VIP ADI would like to recognize and reward our dealership Parts Managers who play a crucial role in every dealership's Accessory process, but are sometimes overlooked by some of the General Motors reward programs and promotions. For each dealership that reaches 115% of its assigned GM Accessories ADI Objective* VIP will allocate 1% of ADI-to-Dealer sales for the month to be applied toward a Parts Manager Bonus. The Dealer Principal or authorized Manager for each dealership must select from below how the bonus will be applied:

- Dealer may authorize VIP Distributing Co. to award Dealer Parts Bonus to the dealership Parts Manager in the form of EarnPower points.

Parts Manager Name: _____

GMIN: _____

*GM Accessories ADI Objective includes ADI-to-Dealer and LPO sales only. GM direct (SPO or ACO) orders do not apply. This program is administered by VIP ADI and is in no way meant to imply any participation of General Motors. VIP ADI reserves the right to modify or cancel this program at any time.

I have read the Parts Manager Bonus Program outline above and have selected how I wish for VIP Distributing to apply my dealership's bonus.
